

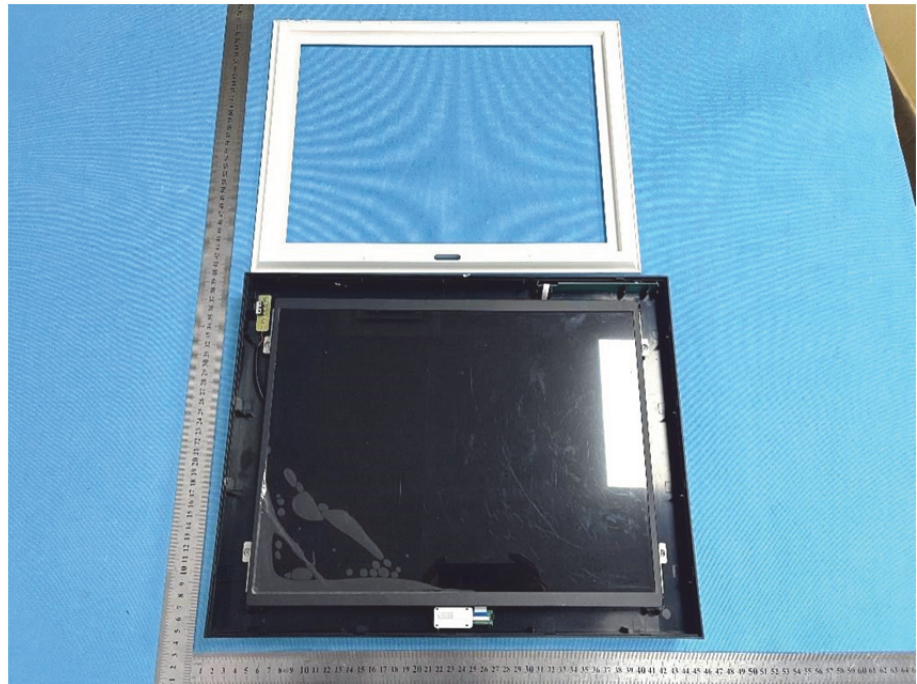

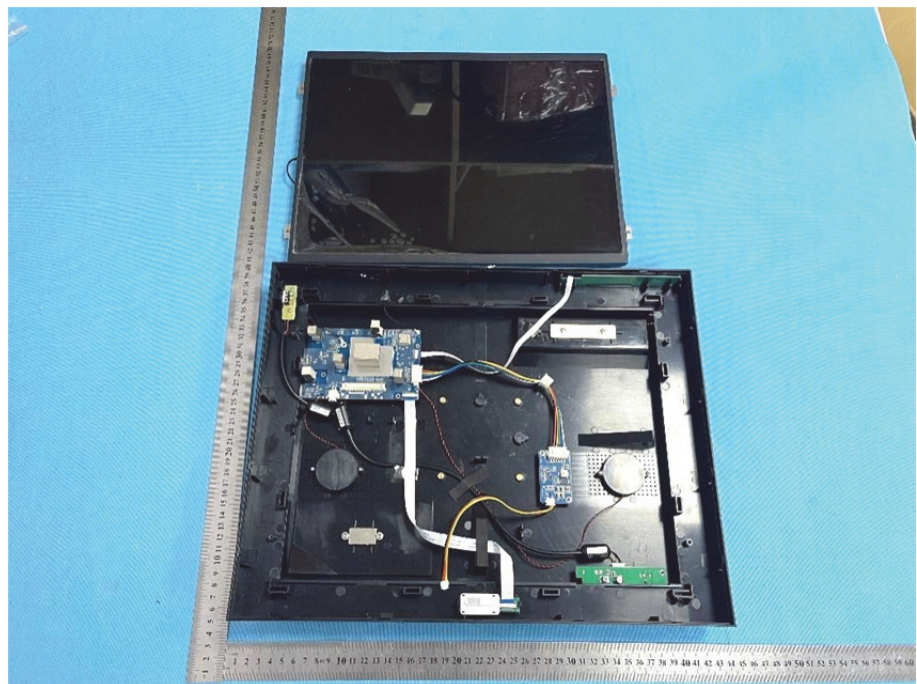

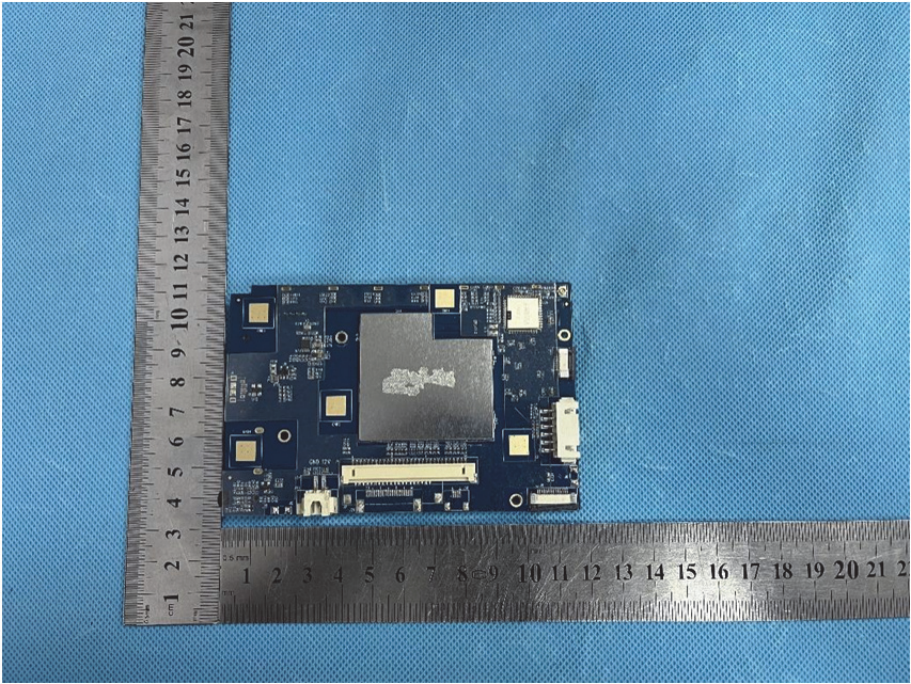

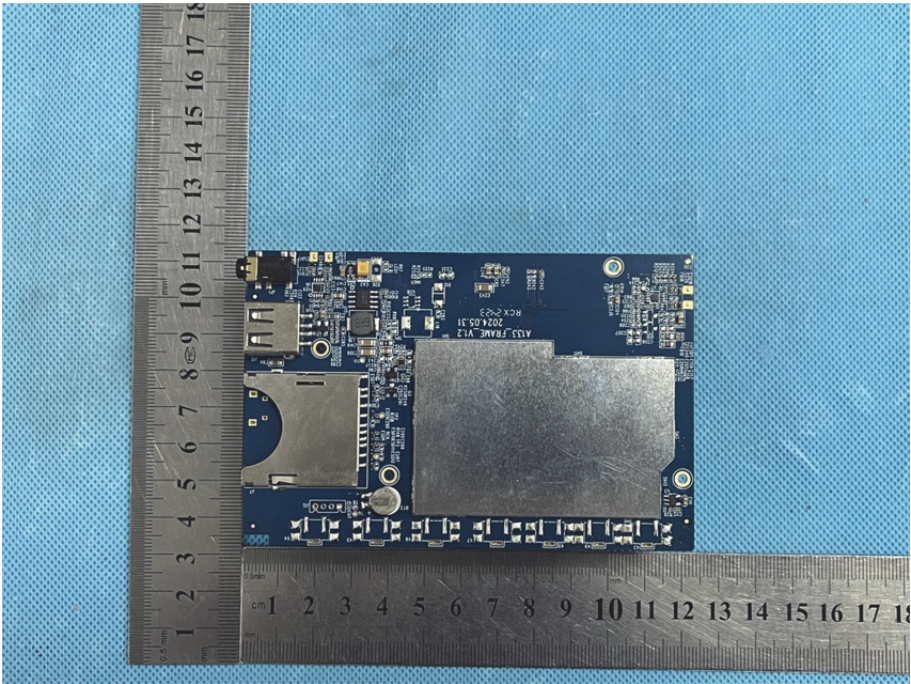

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

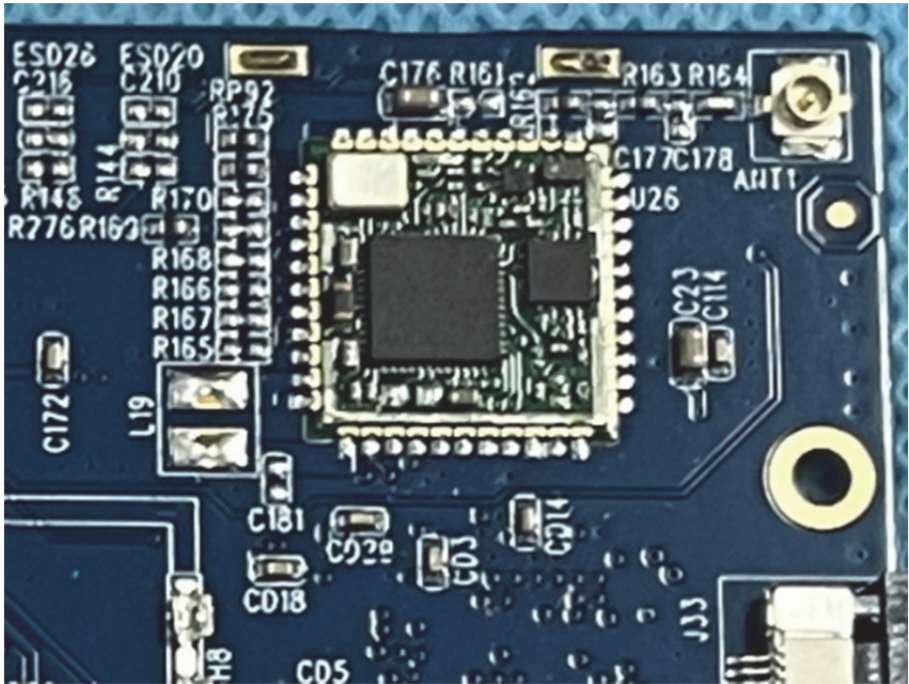

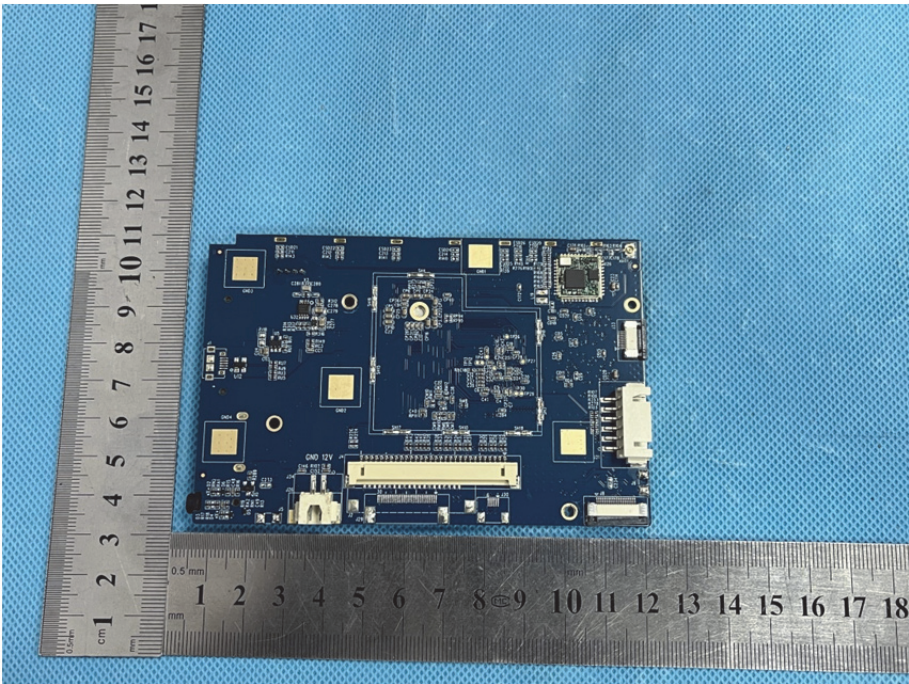

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a blue printed circuit board (PCB) component, likely a solder mask or a small module, placed on a blue textured surface. The component is rectangular with a central square area covered in a dark, possibly soldered, material. It is surrounded by various electronic components, including resistors, capacitors, and integrated circuits. A metal ruler is placed horizontally below the component, showing measurements in centimeters from 1 to 21. Another ruler is placed vertically to the left of the component, showing measurements in centimeters from 1 to 21.
Solder Board-Component View 2	 A photograph of the same blue printed circuit board (PCB) component, showing a different view. The component is rectangular with a central square area covered in a dark, possibly soldered, material. It is surrounded by various electronic components, including resistors, capacitors, and integrated circuits. A metal ruler is placed horizontally below the component, showing measurements in centimeters from 1 to 18. Another ruler is placed vertically to the left of the component, showing measurements in centimeters from 1 to 18.
