

## Antenna specification

NFC antenna

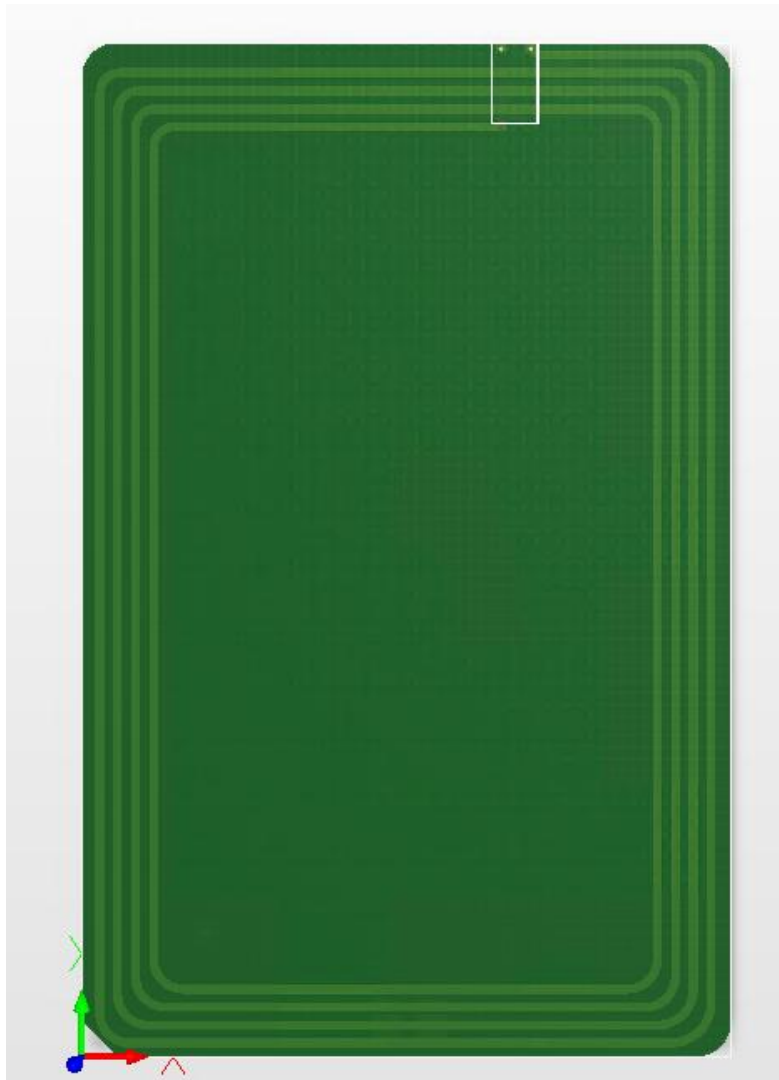

Manufacture:Xiamen Yaxon Zhilian Technology Co.,Ltd.

Address: 303-E,District C,Innovation Building,Software Park,Torch High-tech Zone,xiamen, fujian, china

Model:

Size:55\*86mm

Appearance:

NFC antenna

|                            |              |
|----------------------------|--------------|
| Frequency                  | 13.56MHz     |
| VSWR                       | <3           |
| Gain                       | $\cong$ 2dBi |
| Passive antenna returnloss | <-10dB       |
| Work temperature           | -40~+85C     |
| Modulation                 | ASK          |
