**Certification Type / Equipment Identification**

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Certification Program: | FCC Equipment Authorization / Radio Certification |
| Certification Number:  | 2BGG6PP11                                         |

The equipment identified above ☐ is / ☒ is not "covered" equipment prohibited from receiving an equipment authorization pursuant to 47 CFR Part 2, Subpart J, §2.903.

The applicant identified above ☐ is / ☒ is not identified on the FCC's "Covered List" as an entity, affiliate, or subsidiary which produces equipment on the "Covered List" or identified as an entity which has rebranded or relabeled equipment produced by entities identified on the "Covered List."

The software to be loaded prior to marketing of the equipment identified above ☐ is / ☒ is not "covered" software manufactured by any entity including predecessors, successors, parents, subsidiaries, or affiliates or any entity which has rebranded or relabeled the software produced by the entity(ies) identified on the "Covered List."

I hereby attest and certify that the above statements are true and correct.

|                                                  |               |
|--------------------------------------------------|---------------|
| Signature of Authorized Individual: <sup>1</sup> |               |
| Printed Name:                                    | Spencer Alefs |
| Title of authorized signature:                   | CEO           |
| Date                                             | 9/19/2024     |

Note this attestation shall be signed by the applicant or their direct appointee within the same legal entity. A third party agent is not permitted to sign on behalf of the applicant.

<sup>1</sup> Signature is not subject to the FCC's authorized individual policy (KDB 852134) and may be signed by any appropriate company official.

### Attachment A – Additional Information

The FCC’s “Covered List” includes certain “telecommunications equipment” and “video surveillance equipment” produced by specific manufacturers, their Affiliates or Subsidiaries and including any products produced by these entities which are rebranded or relabeled by other entities. <sup>(191, 184, 185, 188)</sup><sup>2</sup> Furthermore, the Covered List items includes software produced or provided by specific manufacturers, their predecessors, successors, parents, subsidiaries, or affiliates and includes any software produced by these entities which is rebranded or relabeled by other entities.

The FCC claims under Section 2 of the Secure Networks Act that the identified equipment and/or software poses an unacceptable risk to United States national security.

#### Telecommunications Equipment <sup>(195)</sup>:

Any equipment used in fixed or mobile networks that provides advanced communications service, provided the equipment includes or uses electronic components, as defined under section 1.50001(c).

#### Video Surveillance Equipment <sup>(205)</sup>:

Any equipment that is used in fixed and mobile networks that provides advanced communications service in the form of a video surveillance service, provided the equipment includes or uses electronic components.

#### Advanced Communications Service <sup>(195, 205)</sup>

Any equipment that can be used in such a fixed or mobile broadband network to enable users to originate and receive high quality voice, data, graphics, and video telecommunications service using any technology with connection speeds of at least 200 kbps in either direction.

#### Affiliate <sup>(183)</sup>:

An entity that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another entity, where the term “own” means to have, possess, or otherwise control an equity interest (or the equivalent thereof) of more than 10 percent.

#### Subsidiary <sup>(184)</sup>:

Any entity in which such named entity directly or indirectly (1) holds *de facto* control or (2) owns or controls more than 50% of the total voting power of the entity’s outstanding voting stock.
