

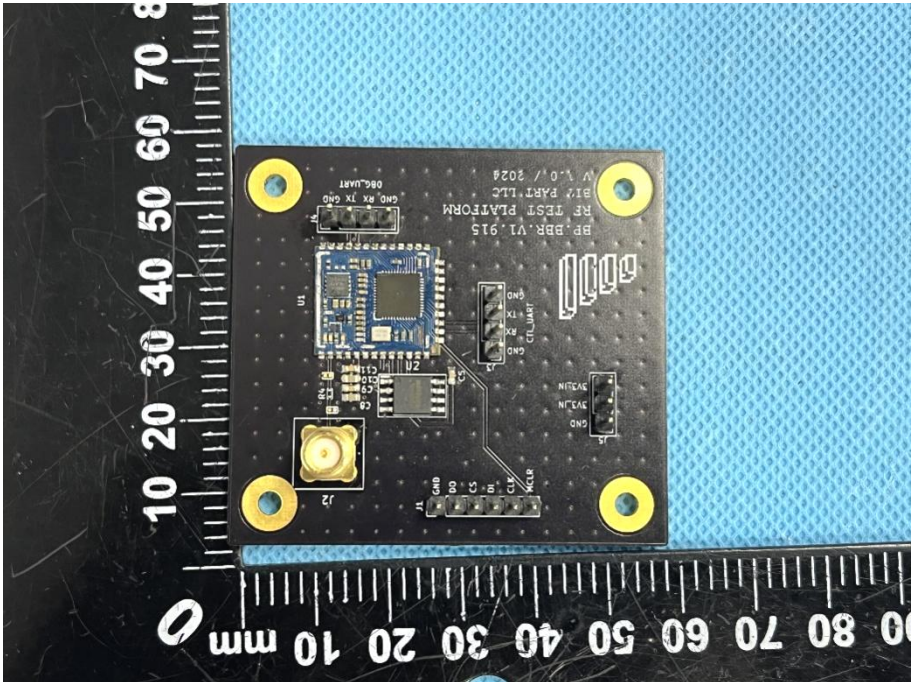

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph of a small, square circuit board component. The board is black with various electronic components, including a central chip, capacitors, and connectors. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, ranging from 0 to 80 mm. The board has four yellow circular mounting holes at the corners. Text on the board includes "BP, BBR, V1, 915", "RF TEST PLATFORM", "BIT PART, LLC", and "V1.0 / 2024".
Antenna View	Antenna type 1 Antenna type 2  A photograph showing two different types of antennas against a blue textured background. Antenna type 1 is a long, thin, black antenna with a yellow band near the top. Antenna type 2 is a shorter, thicker, black antenna with a yellow band near the top. Red lines connect the labels "Antenna type 1" and "Antenna type 2" to their respective antennas.
