Dear Sir/Madam,

Shenzhen Velocity Technology Innovations Co., Ltd. requests a Change in Identification for a currently approved device. This application will establish a new FCC ID for purpose of marketing.

The original Shenzhen Xinhui Wireless Intelligence Co., Ltd., under FCC ID: 2BHXI-XH-X10 with a Grant Date of Jan. 27, 2025 will remain in effect. An authorization letter from the original Grantee is attached.

We have demonstrated that these devices are identical in electrical performance, differing only in the applicant, manufacturer, main test model, series model, trade mark, product name and FCC ID number, and that the original test results apply and continue to represent the device.

The following files are provided as attachments:

- Cover letter giving permission from original Applicant for Change in ID
- External photos showing no physical changes to this device
- New FCC identification label and it's location.

Thanks and Best Regards,
