DECLARATION

Date: 2024-01-24

FEDERAL COMMUNICATIONS COMMISSION

Authorization and Evaluation Division

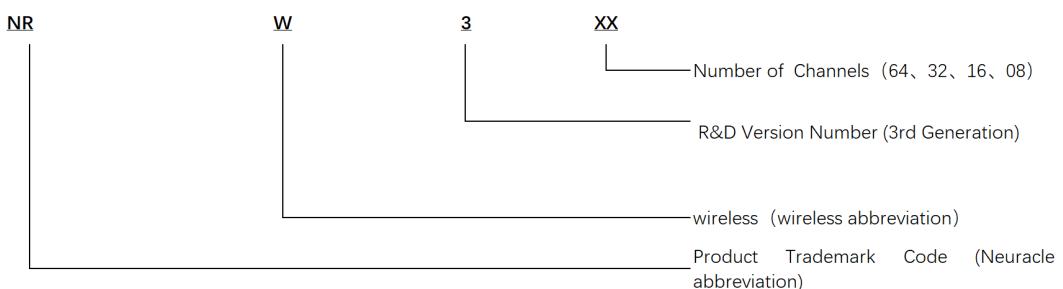

7435 Oakland Mills Road

Columbia, MD 21046

We, Neuracle Technology (Changzhou) Co., Ltd. hereby declare that product name: Mindful Mobile (FCC ID: 2BGXN-NRW01, model name: NRW364, NRW308, NRW316, NRW332) are electrically identical with the PCB design, components and electromagnetic compatibility characteristics, and model: NRW364 has been tested by BAACL (Kunshan).

The differences of them are as follows:

1. The interface is the same, but the different models have varying numbers of effective channels (8, 16, 32, 64 channels).
2. Due to the different number of channels, the internal acquisition modules of the product vary (each module has 8 channels, and the 64-channel model has 8 acquisition modules).
3. Model Identification Interpretation:

4.

Product Model Differences Table

	NRW364	NRW332	NRW316	NRW308
Number of Channels	64	32	16	8
EEG Cap	64-channel EEG Cap	32-channel EEG Cap	16-channel EEG Cap	8-channel EEG Cap
Number of Acquisition Modules	8	4	2	1

*note: "Channel" refers to the pathway for acquiring brainwave signals.

Please contact me if there is need for any additional clarification or information.
