

| Antenna Specification |                                                                                               |
|-----------------------|-----------------------------------------------------------------------------------------------|
| ITEM                  | ANT SPEC                                                                                      |
| Model Name            | 2.4G ANT                                                                                      |
| Maximum Gain          | -0.58dBi                                                                                      |
| Polarization          | Horizontal and Vertical                                                                       |
| Azimuth Beam Pattern  | Omni-directional                                                                              |
| Impedance             | 50 Ohm                                                                                        |
| Manufacture           | Shenzhen Xinweisai Electronics Co., Ltd.                                                      |
| Address               | Building 13, Dawangshan Third Industrial Zone, Shajing Town, Bao'an District, Shenzhen, China |

| Frequency / MHz | Gain/ dBi |
|-----------------|-----------|
| 2400            | -1.25     |
| 2410            | -1.17     |
| 2420            | -1.03     |
| 2430            | -0.87     |
| 2440            | -0.64     |
| 2450            | -0.58     |
| 2460            | -0.59     |
| 2470            | -0.74     |
| 2480            | -0.83     |
| 2490            | -0.99     |
| 2500            | -1.14     |
