Subject: Requesting Class II permissive change for FCC ID: 2BH7FAX53

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: 2BH7FAX53, original granted on 01/06/2025.

There is no other hardware or electrical modification made to the applying transmitter itself except below:

1. Update the information of the signal transformer. The only difference between the new and old materials is that the manufacturer is different. The materials are pin-to-pin. The circuit diagram and layout remain unchanged. The number of the signal transformer has been updated to T1, T5 and T8.

Please contact me if you have any questions or need further information regarding this application.
