Confidentiality Request

To Whom It May Concern:

Pursuant to 47 CFR §§ 0.457 and 0.459 the Commission's Rules, we requests that the Commission permanently hold in confidence the following attachments to application for Equipment Authorization ("TP-Link Systems Inc."):

- Schematics
- Block Diagram
- Operational Description
- Geolocation Justification Report
- Acceptance Letter- FCC conditions of acceptance
- PIA Inquiry

The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the applicant and provide unjustified benefits to its competitors.

In addition to the documents described above, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, we request that the Commission hold the following attachments to application in confidence for 180 days [from the date of the Grant of Equipment Authorization].

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual
- Geolocation General Description

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and that information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in cursive script that reads 'Sarah Wang'.
