FCC Class II Permissive Change Application Letter

To Whom It May Concern:

This is to request a Class II permissive change, the following the original equipment:

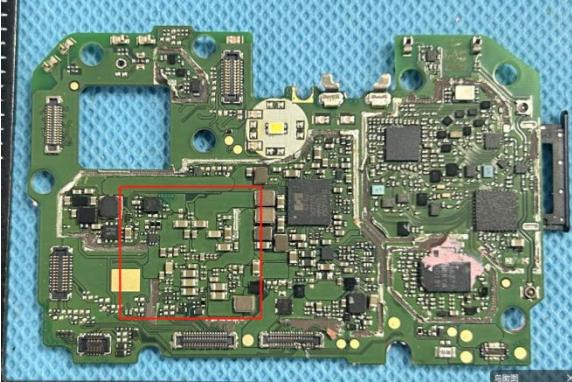

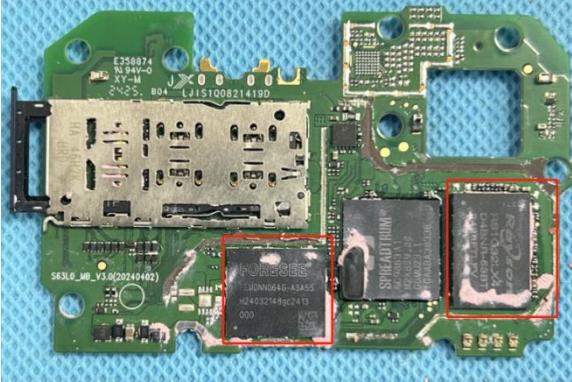

Product name : Mobile Phone

FCC ID: 2BH83-HERO

Date of Grant: 09/02/2024

Model No.: HERO

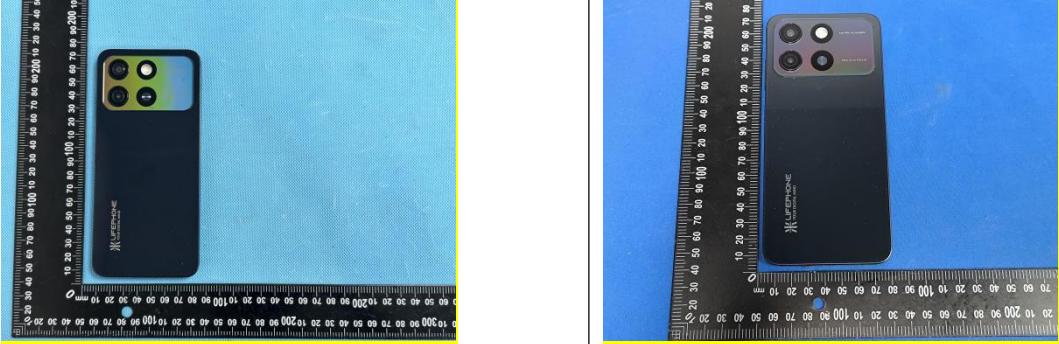

Change Contents: update the components on main board as below:

| Location | Old PCB of FCC ID: 2BH83-HERO | New PCB of FCC ID: 2BH83-HERO |
|------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Main board |   |   |

DDR model has been changed. The memory package has become larger. Previously it was LPDDR4, now it has been modified to the EMCP format. The PCB model (labeled) has also been changed simultaneously.
