Solder Board-Component View 5	 A photograph of a green printed circuit board (PCB) assembly, labeled 'View 5'. The board is populated with various electronic components, including integrated circuits, capacitors, and connectors. It is positioned next to a black ruler with white markings, showing dimensions in millimeters. The board is set against a blue background.
Solder Board-Component View 6	 A photograph of a smaller green PCB assembly, labeled 'View 6'. This board features a USB connector and several surface-mounted components. It is placed next to a black ruler with white markings for scale. The board is set against a blue background.

Solder Board-Component View 7	 A photograph of a green printed circuit board (PCB) component, likely a USB-to-UWB interface board, resting on a blue surface. A black ruler with white markings is placed vertically to the left of the board for scale. The board features a USB Type-A connector, various surface-mount components, and a small antenna. The ruler shows markings from 0 to 50 mm.
Antenna View	 A photograph of the back of a black smartphone chassis, showing the internal antenna layout. Three red boxes with leader lines identify the antenna locations: 'Div Ant.' at the top left, 'WIFI/ Bluetooth /GPS Ant' at the top right, and 'GSM/WCDMA/LTE Main Ant.' at the bottom center. The phone is placed on a blue background.
