

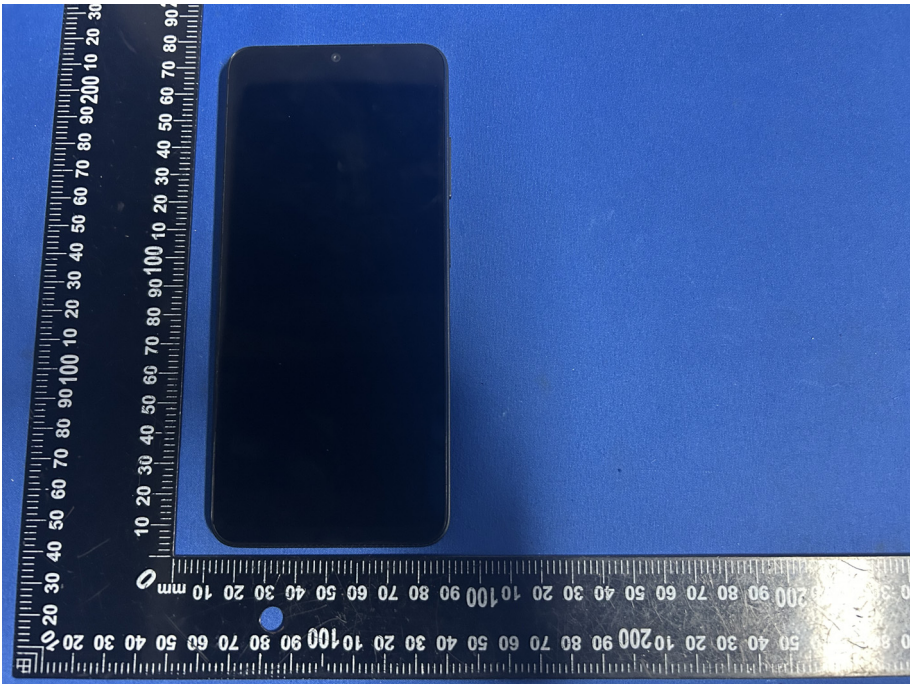

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black smartphone, a white USB cable, and a white power adapter. The items are placed on a blue background next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The smartphone is positioned vertically, with its top edge at the 0 mark. The USB cable is coiled and placed to the right of the smartphone. The power adapter is placed below the USB cable. The ruler markings are in millimeters and centimeters.
EUT View 2	 A photograph showing a black smartphone placed on a blue background next to a black ruler with white markings. The ruler is oriented vertically, with the 0 mark at the top. The smartphone is positioned vertically, with its top edge at the 0 mark. The ruler markings are in millimeters and centimeters.

EUT View 3	 A black smartphone is shown from the back, positioned vertically. It features a dual-camera system with a main lens and a smaller secondary lens. The text "LIFEPHONE" and "50MP HD" are visible on the back. The phone is placed next to a ruler for scale, which shows measurements in centimeters and millimeters. The background is a solid blue surface.
EUT View 4	 A black smartphone is shown from the side, positioned horizontally. It features a dual-camera system with a main lens and a smaller secondary lens. The text "LIFEPHONE" and "50MP HD" are visible on the back. The phone is placed next to a ruler for scale, which shows measurements in centimeters and millimeters. The background is a solid blue surface.
