

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of a mobile phone. The battery is visible, with text including "LIFEPHONE", "Li-ion Polymer Battery", "1000mAh", "3.7V", "Nominal Capacity: 1000mAh", "Rated Capacity: 950mAh", "Typical Capacity: 900mAh", "Maximum Capacity: 800mAh", "Manufactured: 2024-12-07", "Model: EUT-001". The camera and other components are also visible. A ruler is placed next to the phone for scale.
Solder Board-Component View 1	 A close-up photograph of the solder board-component. The board is green and has various components soldered to it, including a camera and other electronic components. A ruler is placed next to the board for scale.

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, identified as 'Solder Board-Component View 2'. The component is rectangular with various electronic components, including a large silver-colored metal shield or heat sink in the center. It is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters, with the horizontal scale ranging from 0 to 100 mm and the vertical scale from 0 to 50 mm.
Solder Board-Component View 3	 A photograph of the same green PCB component, identified as 'Solder Board-Component View 3'. This view shows the component from a different angle, highlighting its profile and the arrangement of components on the top surface. It is placed on the same blue textured surface next to the same black L-shaped ruler, with the horizontal scale from 0 to 100 mm and the vertical scale from 0 to 40 mm.

Solder Board-Component View 4	
Solder Board-Component View 5	

Solder Board-Component View 6	 A photograph of a green printed circuit board (PCB) with various electronic components soldered onto it. The board is irregularly shaped with several cutouts. A black ruler with white markings is placed vertically to the left of the board, showing measurements from 0 to 70 mm. The board is resting on a blue textured surface.
Antenna View	Div Ant. WIFI/BT/GPS Ant  GSM/WCDMA /LTE Main Ant. A photograph of the back of a smartphone chassis, showing the internal antenna layout. Three specific antenna locations are highlighted with red boxes and labels: 'Div Ant.' at the top left, 'WIFI/BT/GPS Ant' at the top right, and 'GSM/WCDMA /LTE Main Ant.' at the bottom. The chassis is black and the background is a blue textured surface.
