

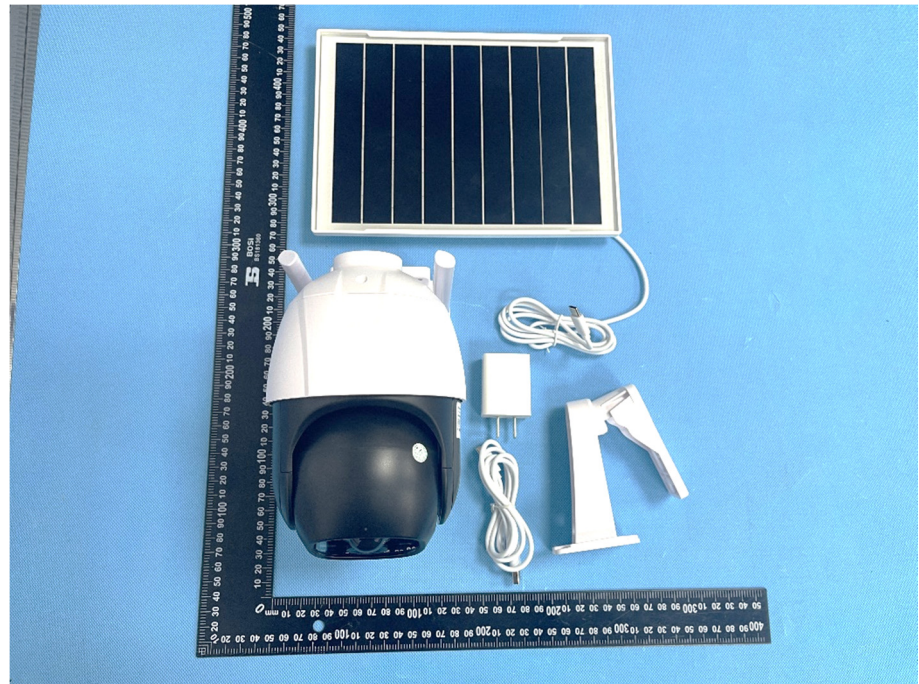

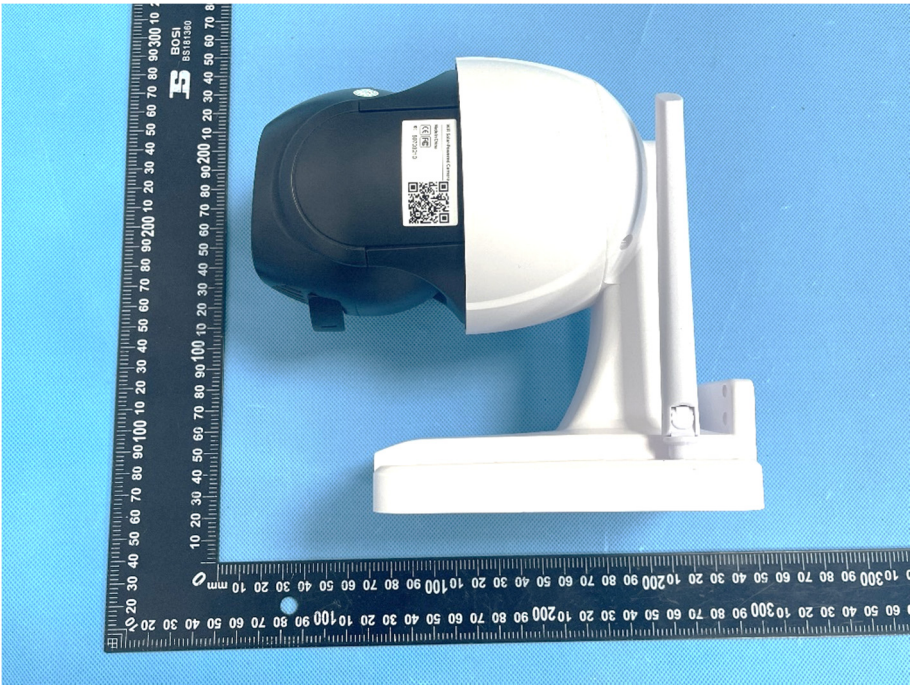

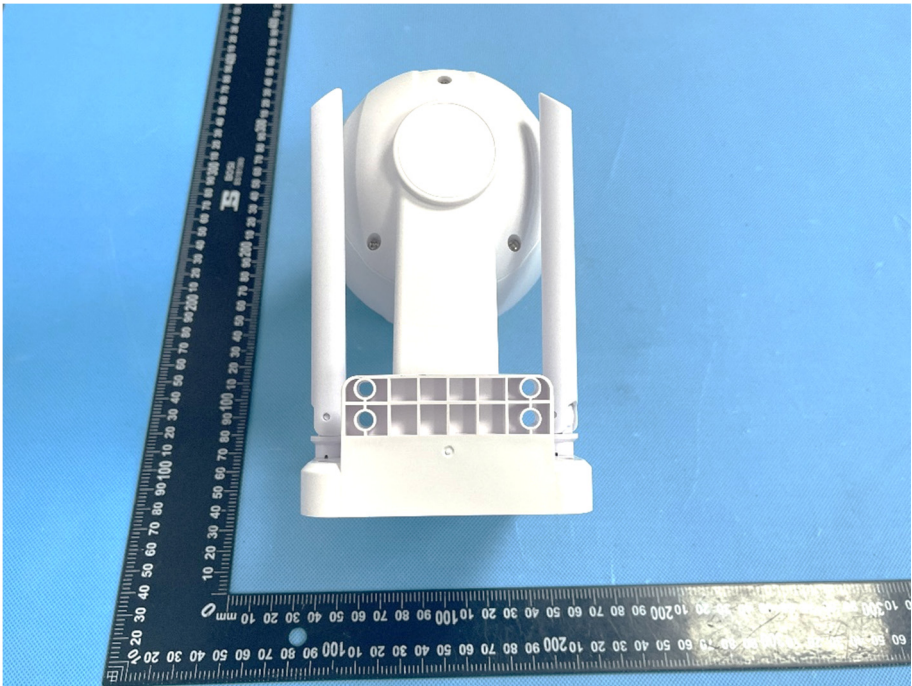

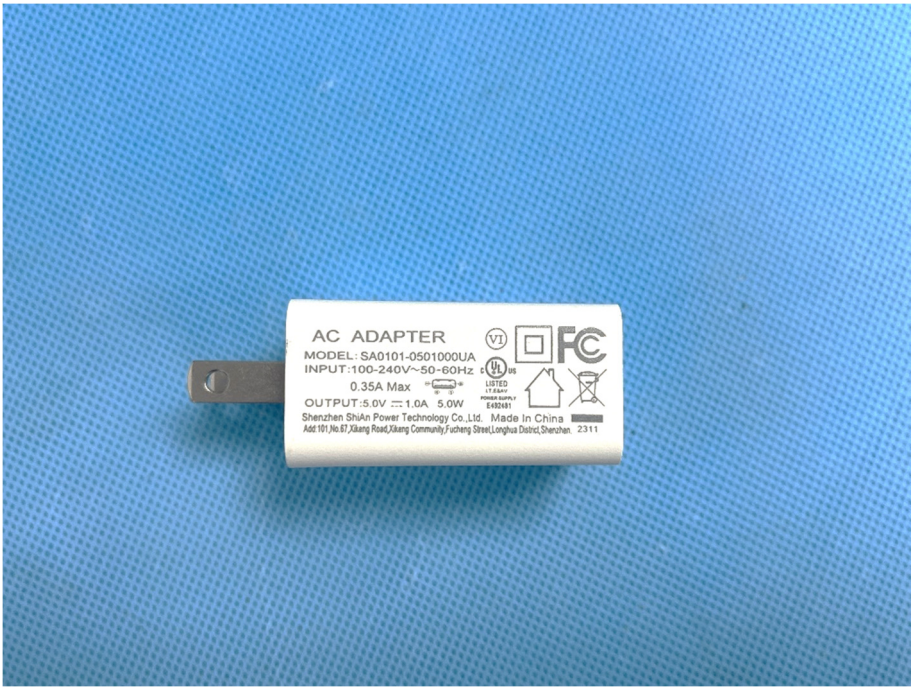

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS**EUT View 1****EUT View 2**

EUT View 3	 A side profile view of a white and black electronic device, possibly a camera or sensor, mounted on a white base. A black ruler is placed vertically to the left of the device for scale. The device has a black top section with a small label and a white bottom section. The ruler shows measurements in millimeters and centimeters.
EUT View 4	 A front view of the same white and black electronic device. The white base features a grid-like pattern. A black ruler is placed horizontally below the device for scale. The device has a black top section and a white bottom section. The ruler shows measurements in millimeters and centimeters.

EUT View 9	 A close-up photograph of the rear panel of a white electronic device. A white plastic cover with "DC 5V" embossed on it is partially covering a DC power input port. To the right of the port is a small blue slide switch labeled "ON/OFF". The device is resting on a blue textured surface.
EUT View 10	 A photograph of a white AC adapter lying on a blue textured surface. The adapter has a silver metal prong on one end. The label on the adapter provides the following information: "AC ADAPTER", "MODEL: SA0101-0501000UA", "INPUT: 100-240V~50-60Hz", "0.35A Max", "OUTPUT: 5.0V 1.0A 5.0W", and manufacturer details: "Shenzhen ShiAn Power Technology Co., Ltd. Made in China", "Add: 101 No.87, Xikang Road, Xikang Community, Fucheng Street, Longhua District, Shenzhen. 2311". It also features various safety and compliance symbols including VI, FC, and a triangle with a circle.
