

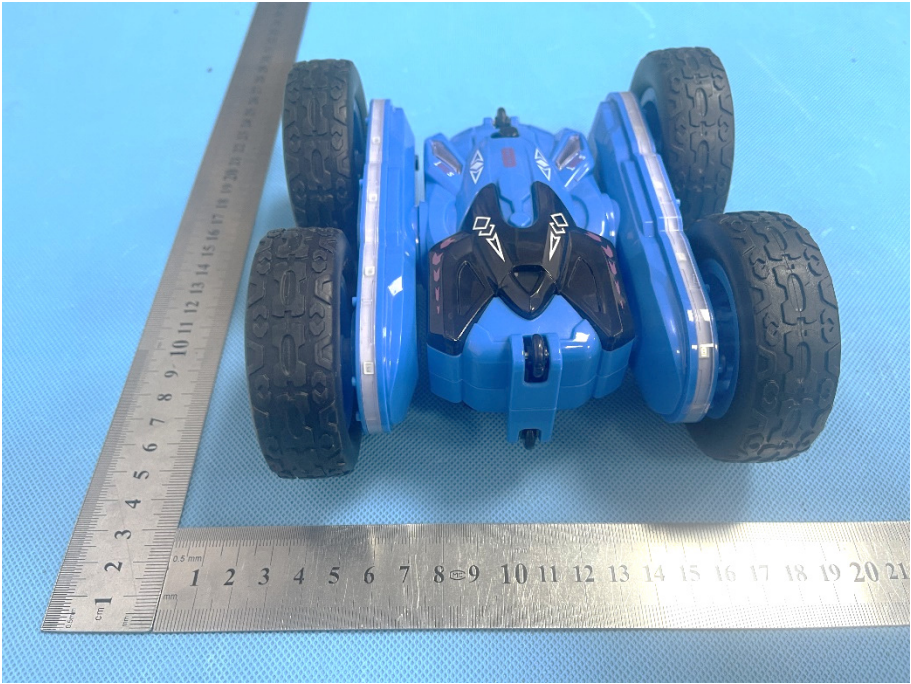

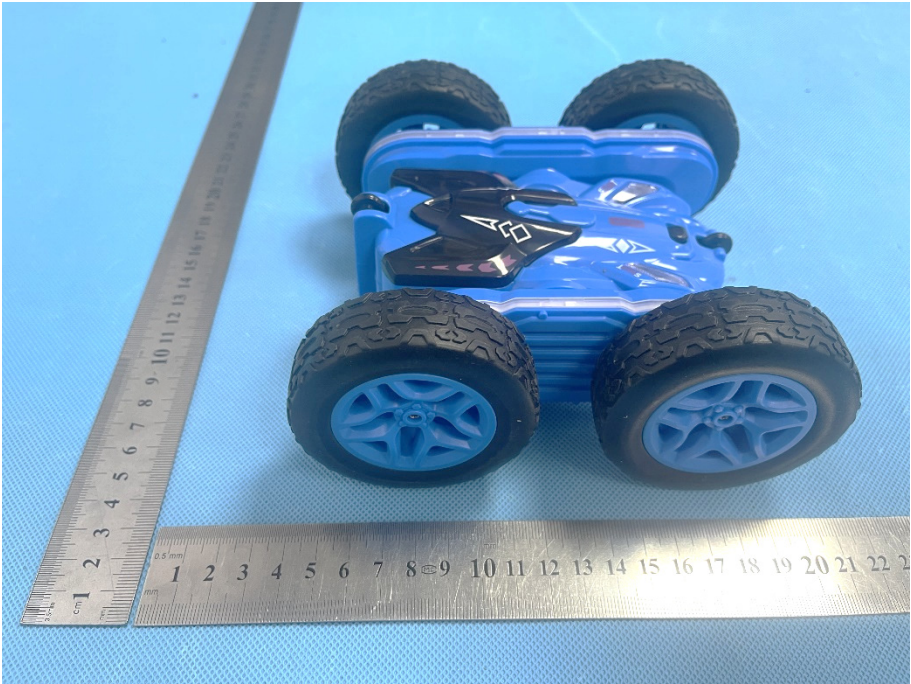

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph showing three small-scale remote-controlled (RC) cars arranged vertically on a light blue textured surface. From top to bottom, the cars are purple, green, and blue. Each car is positioned next to a black remote control. A metal ruler is placed horizontally at the bottom of the frame, with markings in centimeters and inches visible.
EUT View 2	 A front-view photograph of a blue RC car on a light blue textured surface. The car has a black chassis and large black tires. A metal ruler is placed horizontally below the car, with markings in centimeters and inches visible.

EUT View 3**EUT View 4**

EUT View 5	 A top-down view of a blue toy car with black tires and a black chassis. The car is positioned on a blue textured surface. A metal ruler is placed horizontally below the car, showing measurements in centimeters and millimeters. The car's width is approximately 10 cm.
EUT View 6	 A bottom-up view of the same blue toy car. The car is positioned on a blue textured surface. A metal ruler is placed horizontally below the car, showing measurements in centimeters and millimeters. The car's width is approximately 10 cm.

EUT View 9

EUT View 10

EUT View 11	 A black, ergonomic electronic device, likely a game controller, is shown from a top-down perspective. It features two analog sticks, several buttons, and a central directional pad. The device is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 15) and millimeters (0 to 15). The device's width is approximately 10 cm.
EUT View 12	 A black, ergonomic electronic device, likely a game controller, is shown from a top-down perspective. It features two analog sticks, several buttons, and a central directional pad. The device is placed on a blue textured surface next to a metal ruler. The ruler has markings in centimeters (0 to 15) and millimeters (0 to 15). The device's width is approximately 10 cm.

EUT View 13	 A black, handheld electronic device, possibly a remote control or a small game controller, is shown from a top-down perspective. It has a complex, angular design with several buttons and a joystick. A metal ruler is placed horizontally below the device, showing measurements in centimeters and millimeters. The device is positioned on a blue, textured surface.
EUT View 14	 A black, handheld electronic device, similar to the one in View 13, is shown from a bottom-up perspective. It features a large, rectangular battery compartment in the center, with the text "MADE IN CHINA" visible. A small white circular sticker with "QC 20" is attached to the right side. A metal ruler is placed horizontally below the device, showing measurements in centimeters and millimeters. The device is positioned on a blue, textured surface.
