

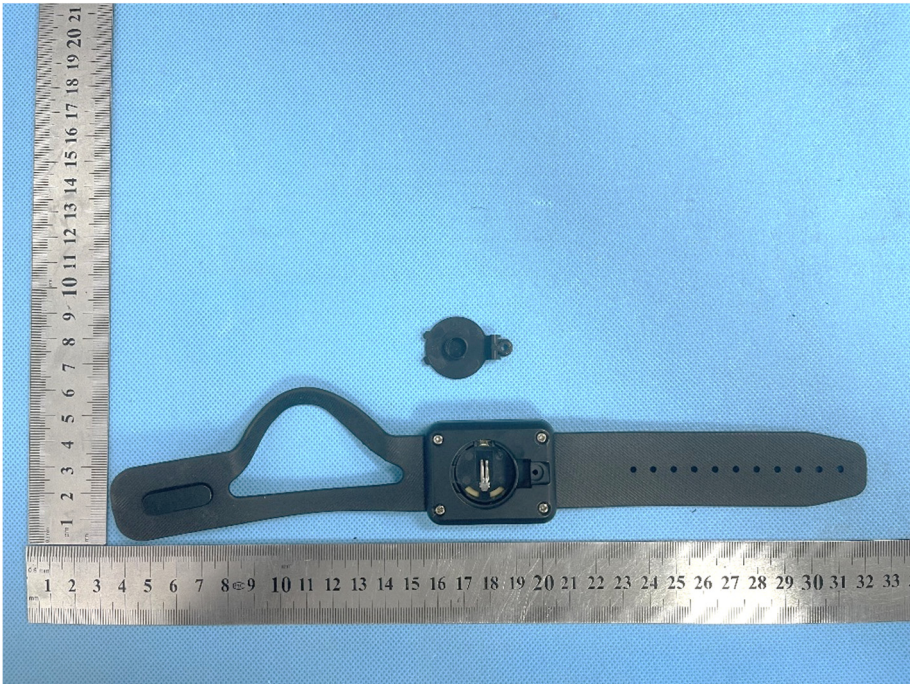

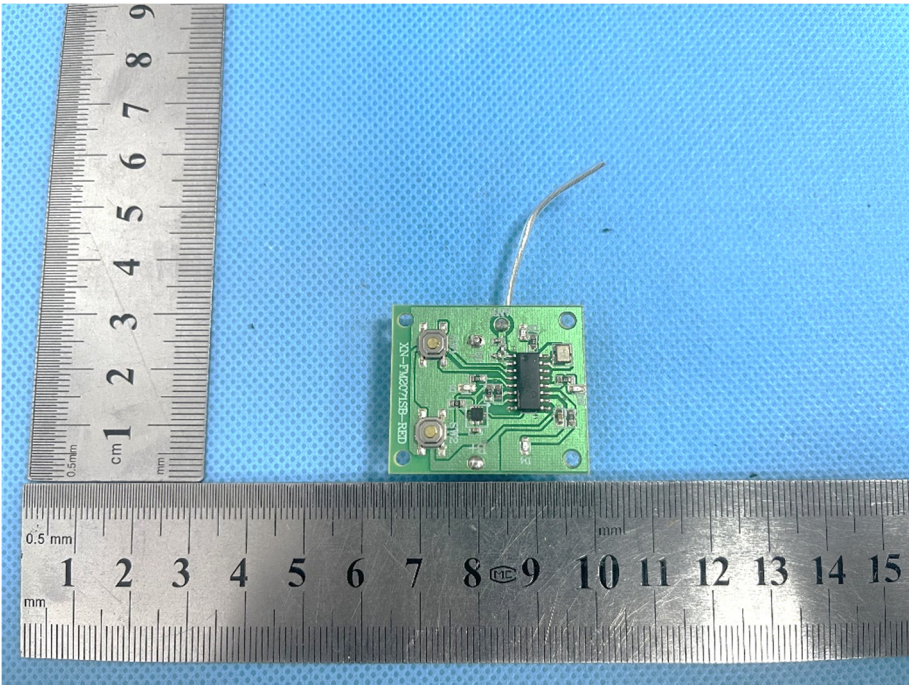

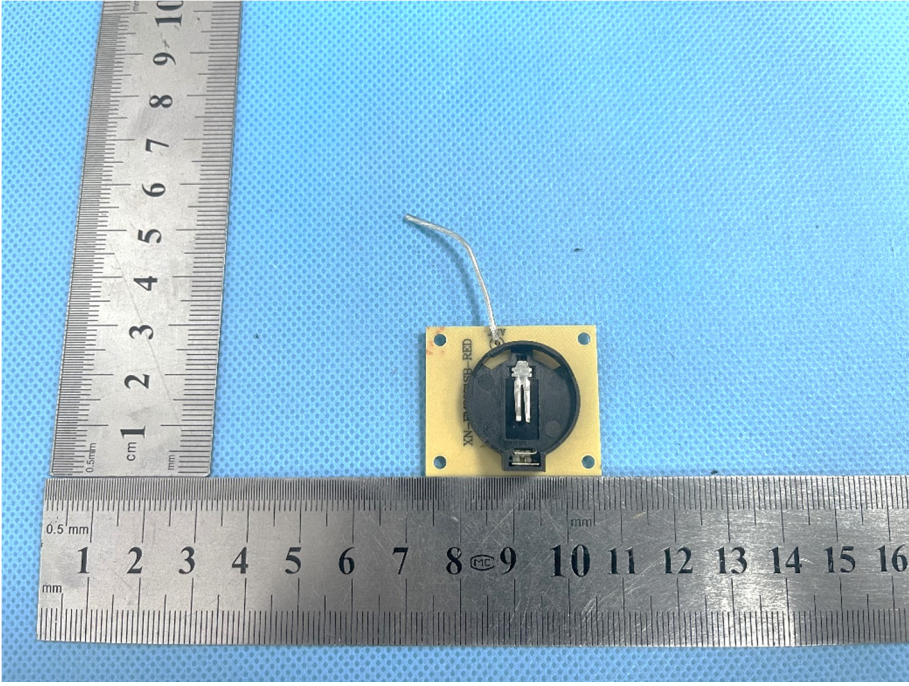

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

**EUT Housing and
Board View 2**

Solder Board-Component View 1	 A photograph of a small green printed circuit board (PCB) component, identified as a solder board-component. The component is rectangular and features various electronic components, including a central integrated circuit (IC) and several surface-mount components. It is positioned on a blue textured surface. Two metal rulers are placed around the component for scale: one vertically on the left and one horizontally at the bottom. The vertical ruler shows the component is approximately 1.5 cm high, and the horizontal ruler shows it is approximately 1.5 cm wide.
Solder Board-Component View 2	 A photograph of the same solder board-component from a different perspective. The component is yellow and features a large, circular, black component, possibly a microphone or a speaker, mounted on its surface. It is positioned on a blue textured surface. Two metal rulers are placed around the component for scale: one vertically on the left and one horizontally at the bottom. The vertical ruler shows the component is approximately 1.5 cm high, and the horizontal ruler shows it is approximately 1.5 cm wide.
