

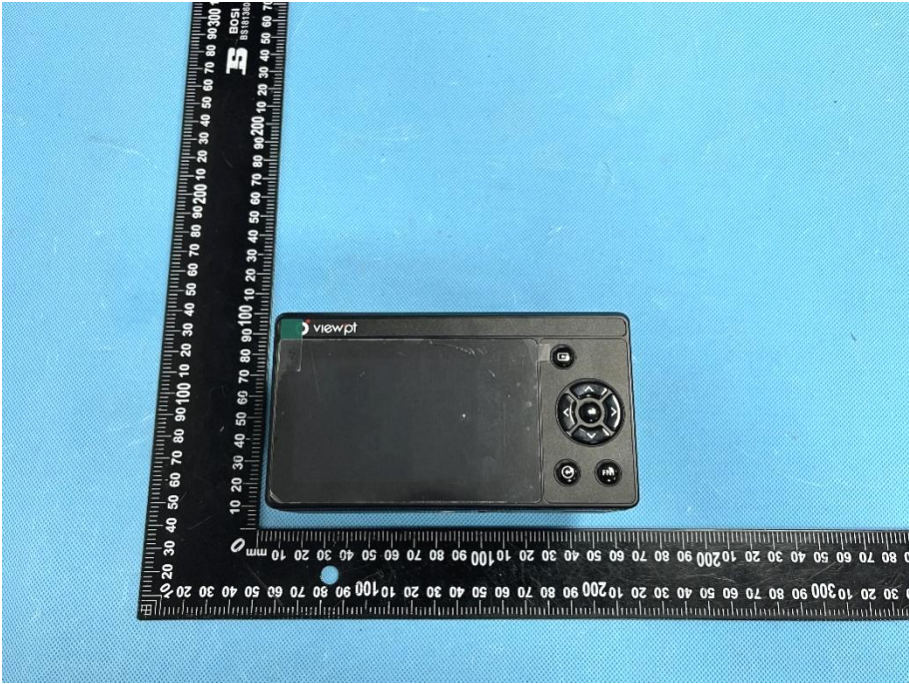

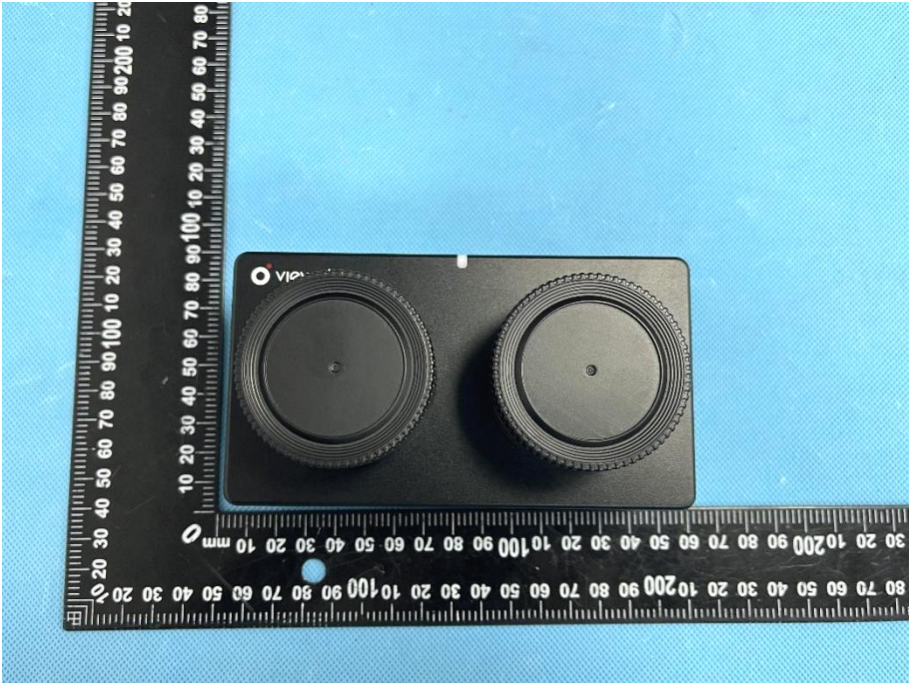

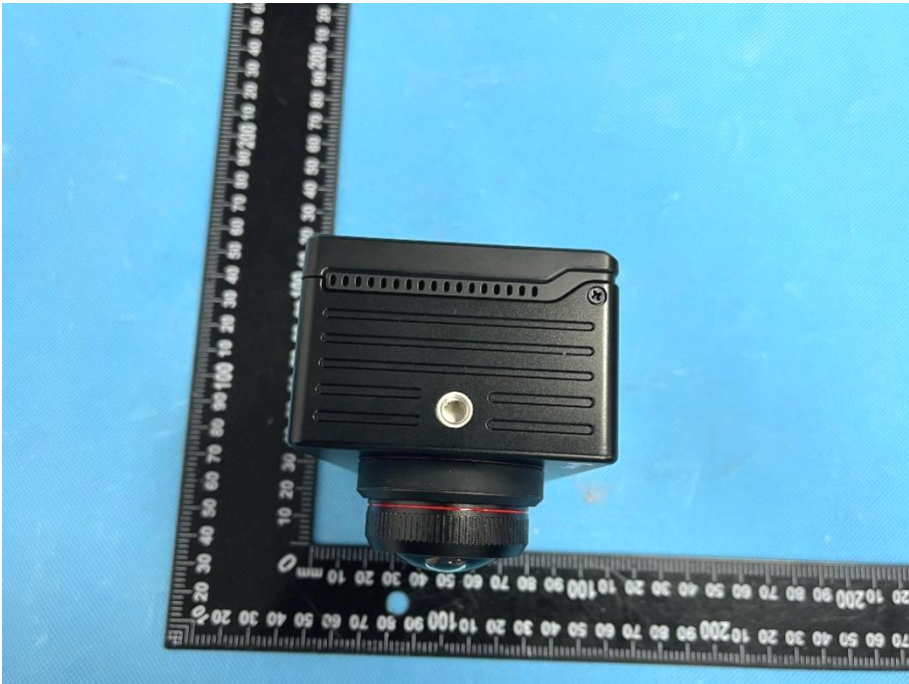

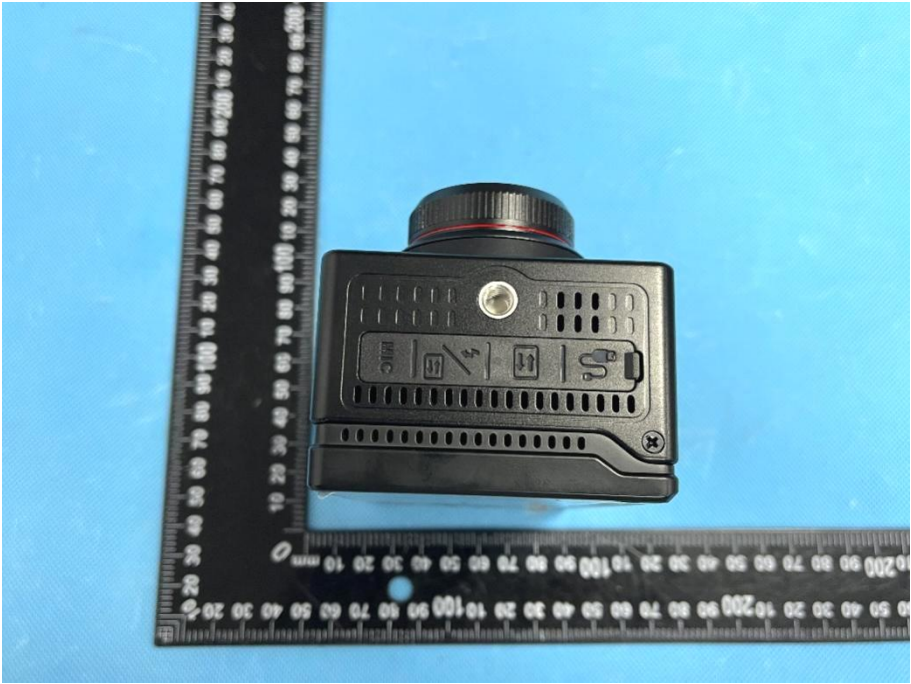

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A black handheld electronic device, likely a PDA or early smartphone, is shown against a blue background. The device has a small screen on the left and a control panel on the right with a circular navigation pad and several buttons. A black ruler with white markings is placed vertically to the left of the device for scale. The ruler shows measurements in both centimeters and inches.
EUT View 4	 The bottom of the black handheld device is shown, revealing two large circular ports (likely for charging or data transfer) and a small rectangular label with text. The label includes the text "FOR LPT-101", a power button icon, and "Waltek Co., Ltd. Made in China". A black ruler with white markings is placed vertically to the left of the device for scale.

EUT View 5	 A top-down photograph of a black, rectangular electronic unit. The unit features two large, circular, black ports or lenses on its front face, positioned side-by-side. A small white logo with the word "view" is visible on the left side of the unit. The unit is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A side-view photograph of the same black electronic unit. This view shows a lens at the bottom and a series of horizontal ventilation slots on the side. A small white logo is visible on the side. The unit is placed on a blue textured surface next to a black ruler with white markings, similar to the one in the previous view.

EUT View 7	 A black electronic device, likely a camera or sensor module, is shown from a top-down perspective. It features a lens at the top, a small circular port, and several rectangular ports (USB, SD, etc.) on the side. A ruler is placed below the device for scale, showing measurements in millimeters and centimeters. The device is set against a blue background.
EUT View 8	 A close-up view of the bottom of the device, showing ventilation slots and a screw. The device is black and has a textured surface. The background is blue.
