

Antenna specification

1	Antenna Model	ANT-SAM5
2	Antenna dimensions	14*19mm
3	Antenna Gain	0db
4	Antenna Manufacture and address	GUANGZHOU PANYU GUXI LIFENG CIRCUIT BOARD CO LTD Guba West Village Industrial Zone, Shawan Town, Panyu District Guangzhou, Guangdong 511483 China
5	Antenna photo	 A photograph of the antenna module. It is a green printed circuit board (PCB) with various electronic components. A blue outline highlights a rectangular area in the center, which is the antenna itself. The PCB is labeled with 'HNK' and 'HF MODULE-A5' on the left, and 'ANT-SAM5' on the right. There are also some component designators like '2222' and '2223'.
