Make sure that the product is stored in a location where it cannot be exposed to direct sunlight. Repairs and replacements should only be performed by authorized after-sales service staff. Do not attempt to dismantle or replace any part of the product yourself to prevent damage to the device. Any unauthorized modification to the product voids the warranty. Only use the product in environments where Bluetooth transmission is permitted. Personal safety instructions <ul style="list-style-type: none"> Do not use the product if it is obviously defective or exhibits unusual behavior, such as overheating or excessive heating. Do not use the product when performing high-risk tasks that require your full attention. For your hearing protection, do not listen at high volume for long periods. Keep the product and its packaging out of reach of children and pets to prevent accidents such as swallowing and choking. 	<p>Battery safety instructions</p> <p>FCC ID: 2BHJR-NE27</p> <p>FCC Caution</p> <p>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device must accept any interference received, including interference that may cause undesired operation.</p> <p>Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>Notes: This device has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> Reorient or relocate the receiving antenna. Increase the separation between the equipment and receiver. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. 	<p>US REP</p> <p>Company name: HIRAMONT SOLUTIONS LLC Company address: 9228 HOURGLASS ST, TEMECULA, CA 92590 United States FRN: 003633369 Agent name: Wenyi Wang Email: wenyi.wang@hiramontsolutions.com Phone: 951-401-3633</p>	<p>Legal notice</p> <p>Trademarks and permissions</p> <p>HTC and the HTC logo are trademarks of HTC Corporation and used under license by Shenzhen Brands World Technology Co., Ltd.
