

Label and Label Location Exhibit

Model Number: GUS-1000-A

FCC ID: 2BHMUGUS1000A

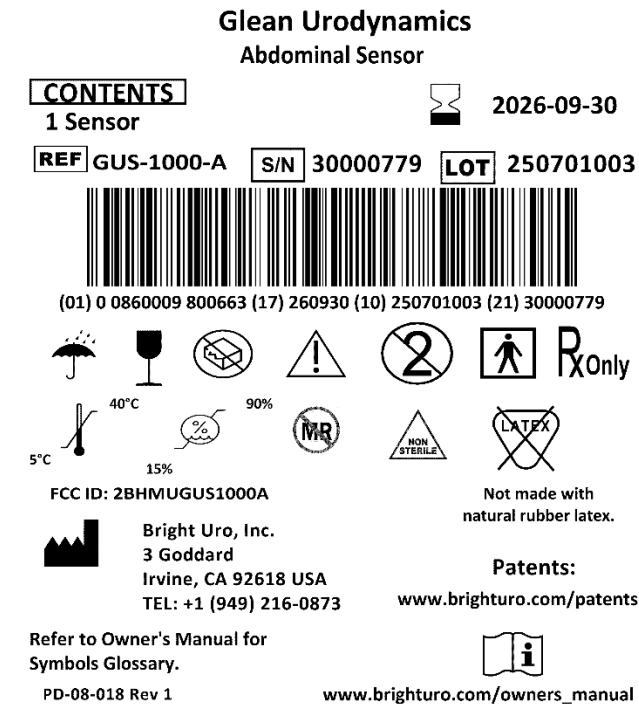

Applicant: Bright Uro

Date: August 28, 2025

1. Label Information

The product cannot bear a **permanent nameplate or etched label** showing the required regulatory identifiers. The User manual includes the FCC ID information:

- **FCC ID:** 2BHMUGUS1000A

Abdominal Sensor

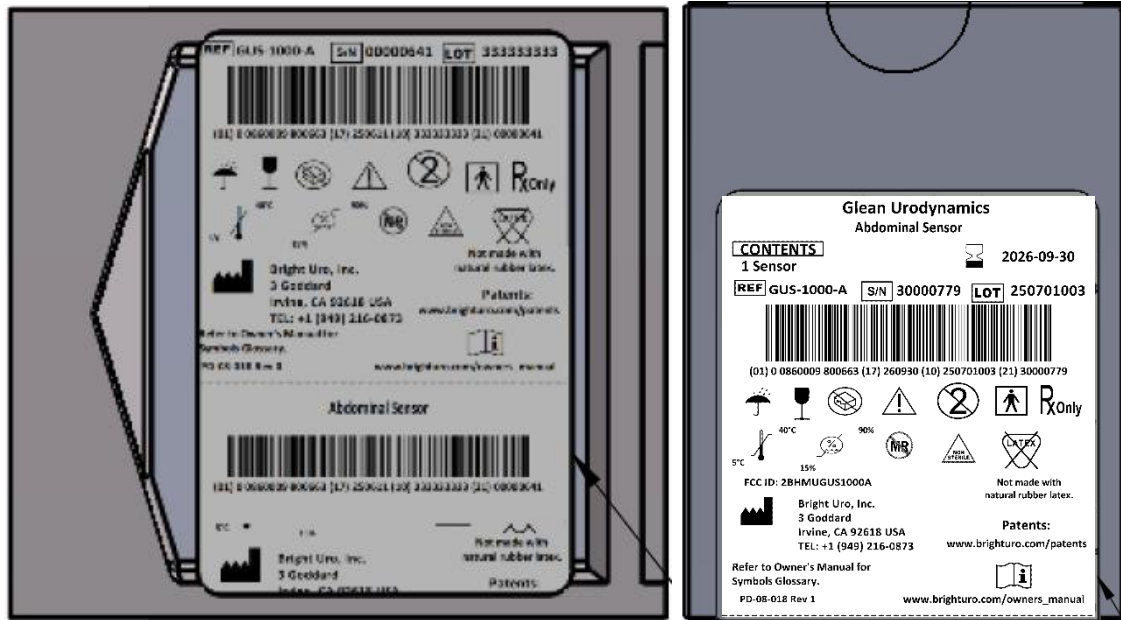

Label design for the package

2. Label Location

The label is located on the **pouch and carton** that packages the device. The device is too small to add labeling.

Label Location Photo

The final shipping box at red arrow below has another label

Bright Uro, Inc.
