

Inverted F Antenna Specification

Manufacturer	Beijing Soft Robot Tech Co., Ltd.
Address	Building 12, No.109 Yard, Jinghai 3rd Road, Beijing Economic-Technological Development Area, Beijing, China
Model	ANT SPEC
Resonate Frequency	433.92 ANT
Antenna Gain Max	0dBi
VSWR/50 Ohms	1.5 or less
Radiation pattern	(Omni direction)
Polarization	Horizontal and Vertical
Impedance	50 Ohm
Antenna Length	15.22mm

Antenna Photo & Length (mm)

We statement that All measurements were performed radiated and therefore additional antenna gain documentation is not required.
