MAC off WINDOWS

欢迎使用多功能手势触控板
多功能手势触控板，本产品配备USB2.4G收发器/Type-c数据线，请使用USB接收器或数据线连接您的电脑。

系统版本要求
若要使用多功能手势触控板及其完整功能，请将Mac更新至最新版本的MacOS（最低要求OSX10.11）。若要更新至最新版本的MacOS，请选取苹果菜单>"App Store"来查看是否有更新。按照屏幕指示更新MacOS。

多功能手势触控板与MAC连接方式：
若要将多功能手势触控板与Mac连接，请使用附属的USB接收器插入Mac主机中(开关拨至最左边)或者将Type-c线插入触控板的Type-c端口，同时将另一端插入Mac端口上。然后触控板的绿色指示灯闪烁，触控板将自动与Mac连接。

使用多功能手势触控板
多功能手势触控板有一个Force Touch表面，用于移动鼠标指针及执行手势。要设置手势及设定其他选项，请选取苹果菜单>"系统设置"。然后点击"触控板"，将多功能手势触控板放在平坦的水平上；移动鼠标指针或执行手势时，您可以将手舒适地放在多手指手势触控板上并在其表面上轻轻地滑动手指。

MAC手势设置步骤：
①打开"系统设置"
②点击"触控板"
③点击设置"光标与点按"
④点击设置"滚动和缩放"
⑤选设置"更多手势"

设置"启用拖拽"步骤：
①打开>"系统设置">点击"辅助功能"
②指针控制>触控板选项>启动使用触控板拖拽
③勾选打开"使用三指拖拽">点击"确认"

Windows连接步骤：
Windows系统可通过USB接收及数据线一种方式连接
①USB接收器开关拨右边，请将收发器插入电脑中
②有线连接：请将开关右边，插入数据线即可。

待机超过10分钟后，需要按压唤醒使用本产品。

MAC off WINDOWS

Welcome to Multi-function Gesture Trackpad
Multi-function gesture trackpad is equipped with USB2.4G receiver / type-c data cable. please use USB receiver or data cable to connect your Computer.

System Version Requirement
To use trackpad and its full functionality, please update your Mac to the latest version of mac OS (minimum OSX 10.11 required).
To update to the latest version of mac OS, select Apple menu >'App Store' to check for updates - follow the instructions to update mac OS.

How to connect the trackpad to MAC.
To connect the trackpad to a Mac, use the included USB receiver to plug into the Mac (flip the switch to the left)/or plug the type-c cable into the trackpad's type-c port, and plug the other end into the Mac port. The green light flashes, indicating the trackpad is connecting to the Mac automatically .

Using Multi-Function Gesture Touchpad
Multi-Gesture trackpad has a Force Touch surface for moving mouse pointer and performing gestures. To set up gestures and set other options, select Apple Menu > System Settings, then click "trackpad". Place the Multi-Function Gesture Trackpad on a smooth, horizontal surface. When moving mouse pointer or performing a gesture, you can rest your hand comfortably on the trackpad and gently slide your finger across its surface.

MAC gesture setting steps:
①Open "System Settings"
②Click "Trackpad"
③Click to set "Point & Click"
④Click to set "Scroll & Zoom"
⑤Click to set "More Gesture"

Steps to set "Drag & Drop":
①Open > "System Setting" > click "Accessibility".
②Click > "Pointer Control" > click "Trackpad Options" > turn on "Use trackpad for dragging"
③Choose "Three Finger Drag"> Click "OK".

Windoes gesture setup steps
Windoes system can be connected by USB receiver and data cable.
①USB receiver connection:Please flip the switch to the right and plug the receiver into the computer.
②USB cable connection: please flip the switch to the right and insert the usb cable to both side.

After more than 10 minutes of standby, you need to press to wake up the trackpad.

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 1: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-Consult the dealer or an experienced radio/TV technician for help.

NOTE 2: Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
