

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black computer mouse and its USB cord laid out on a light blue textured surface. A black L-shaped ruler is placed next to the mouse for scale. The mouse is a standard three-button design. The cord is coiled next to it. The ruler shows measurements in both centimeters and inches.
EUT View 2	 A close-up photograph of the black computer mouse from a top-down perspective. The mouse is positioned next to a black L-shaped ruler on a light blue textured surface. The ruler provides a scale for the mouse's dimensions. The mouse has a sleek, ergonomic shape with two main buttons and a scroll wheel.

EUT View 3	 A photograph showing the bottom view of a black computer mouse. The mouse is positioned vertically on a light blue textured surface. To its left is a black L-shaped ruler with white markings in centimeters and millimeters. The mouse has a central circular feature with a small square cutout above it, and four small circular indentations at the corners. The ruler indicates the mouse is approximately 100 mm high and 60 mm wide.
EUT View 4	 A photograph showing the top view of the same black computer mouse. It is positioned vertically on the same light blue textured surface. The same black L-shaped ruler is placed to its left for scale. The mouse has a standard ergonomic shape with a scroll wheel and two main buttons. The ruler indicates the mouse is approximately 100 mm high and 60 mm wide.
