Solder Board-Component View 4	 A photograph of a small, rectangular printed circuit board (PCB) component with several circular solder pads. The component is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings. The ruler shows measurements from 0 to 100 mm on both the horizontal and vertical axes.
Antenna View	 A photograph of a larger, more complex PCB component, identified as an antenna. It features various electronic components, including a large black rectangular component and several smaller components. A red rectangular box highlights a specific area on the right side of the board, and a red line points from the label 'Antenna' to this box. The component is placed on a blue textured surface next to a black L-shaped ruler with white millimeter markings, similar to the one in the first image.
