## WIRELESS GAMING HEADSET INSTRUCTION MANUAL

### IMPORTANT SAFETY INSTRUCTIONS

Read these instructions carefully.

**WARNING:** When using this product, basic precautions should always be followed, including the following:

- All cautions and warnings should be followed.
- Hearing Safety:**
  - Prolonged exposure to loud sounds can damage your hearing.
  - Use the 60/60 rule: listen at 60% of the maximum volume for a maximum of 60 minutes, followed by a break.
  - Avoid using your headset in situations where you need to be aware of your surroundings, such as driving or cycling.
  - If you need to block out noise, consider using earplugs instead of increasing the volume on your headset.
  - If you experience any hearing loss or ringing in your ears, stop using your headset and consult a doctor.
- General Safety:**
  - Do not use your headset while operating heavy machinery or driving.
  - Do not use your headset while swimming or showering.
  - Do not expose your headset to extreme temperatures or direct sunlight.
  - Do not use harsh chemicals or cleaning agents to clean your headset.
  - Do not modify or attempt to repair your headset yourself.
  - Discontinue use if your headset is damaged.
  - Store your headphones in a cool, dry place.
  - Do not put the product close to fire because that could cause deformation or malfunction.
- Cautions for Rechargeable Battery:**
  - The headset is equipped with a rechargeable battery (lithium-ion battery).
  - The internal rechargeable battery of this product cannot be replaced by the user. The battery may have reached the end of its service life if the

usage time becomes significantly shorter even after the battery has been fully charged.

- If battery fluid gets into eyes, do not rub them. Rinse thoroughly with clean water such as tap water and consult a doctor immediately.
- If battery fluid leaks, do not touch fluid with bare hands.
- If fluid gets in your mouth, gargle thoroughly with clean water such as tap water and consult a doctor immediately.
- If your skin or clothing comes in contact with fluid, immediately wash the affected skin or clothing with water. If you experience skin irritation, consult a doctor.

frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Do not attempt to pierce with a nail, hit with a hammer or step on the battery.
- Do not drop the product or subject it to strong impact.

**FCC RF exposure statement:**  
The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

正面

### WHAT'S INCLUDED

- Gaming Headset
- 3.5mm AUX Cable
- Type-C Cable (Charging only)
- User Instruction
- USB-A Dongle
- 2x Face Shells

### HOW TO REPLACE THE FACE SHELL

To disassemble, lift up on the finger buckle. Align the shell with the buckle, then drop it into place.

### HEADSET BUTTON GUIDE

Button	Function	Action
Power Button	Power On	Press and hold the power button for 3 seconds to manually turn on the device.
	Power Off	Press and hold the power button for 3 seconds to turn off.
Mute/Mode Switch	Microphone Mute	Click the button to mute or unmute your microphone.
	Switch Between Bluetooth and 2.4G	To change between Bluetooth and 2.4G wireless modes, press and hold the button for 3 seconds.
Volume Dial	Volume Up	Slide the dial control towards the power switch to increase the volume.
	Volume Down	Slide the dial control towards the mute/mode switch to decrease the volume.
MBF (Multi-Function Button)	Pause/Play	When listening to music, quickly press the MBF button to pause or play.
	Answer/End Call	To answer an incoming call, quickly press the MBF button. Press again to end the call.
Wired Connection	Reject Call	Double-click MBF to reject calls.
	Clear the pairing records	Press and hold the MBF button for 8 seconds to clear the Bluetooth pairing records. This can be used when the pairing is in progress or has been successfully completed.
AUX3.5 to Type-C	Line in Mode	Plug in the Type-C to 3.5mm audio cable. The headset will turn on, and then the wired mode can be used.
	USB Charging	After connecting a Type-C to Type-C cable, only charging ports are available. The device won't shut down while charging, and it can be used during the charging process. Make sure the power supply is connected correctly; otherwise, the device will turn off in the mode and shut down.
