Getting Started

Charging the Speaker:

Please charge the speaker fully before the first use.

To charge the speaker, insert the small connector of the supplied USB charging cable into the USB port on the device. Insert the other end of the cable (larger side) into a USB power source, such as a computer or wall socket with USB compatible ports.

The charging LED indicator light will turn RED while charging and will turn off when fully charged.

If not connected to a device, the speaker will automatically power off after 10 minutes.

Powering ON/OFF:

Slide the Power switch to the ON position to power on. A tone will be heard and the LED lights will light up.

The LED lights will cycle through colors when the device is powered on.

The speaker will automatically enter Bluetooth® pairing mode and will search for Bluetooth® devices.

Slide the Power switch to the OFF position to power off.

Bluetooth® Speaker Operation:

Power the unit on by sliding the Power switch to the ON position. The device will automatically enter Bluetooth® pairing mode.

Open the Bluetooth® function on your device and search for Deskolite.

After selecting Deskolite, your device will pair without a password.

Play music from your device, keep the device within 33 feet (10 meters) of the speaker.

Adjust the volume of your device to desired level.

Control play/pause, volume up/down, and track prev/next from your device.

Turn off the unit when not in use.

Remote Control Use:

ON/OFF

LED lights color selections

LED lights pulse/fade

Speed rotation of mirror ball (SLOW/FAST)

Volume UP/DOWN
