

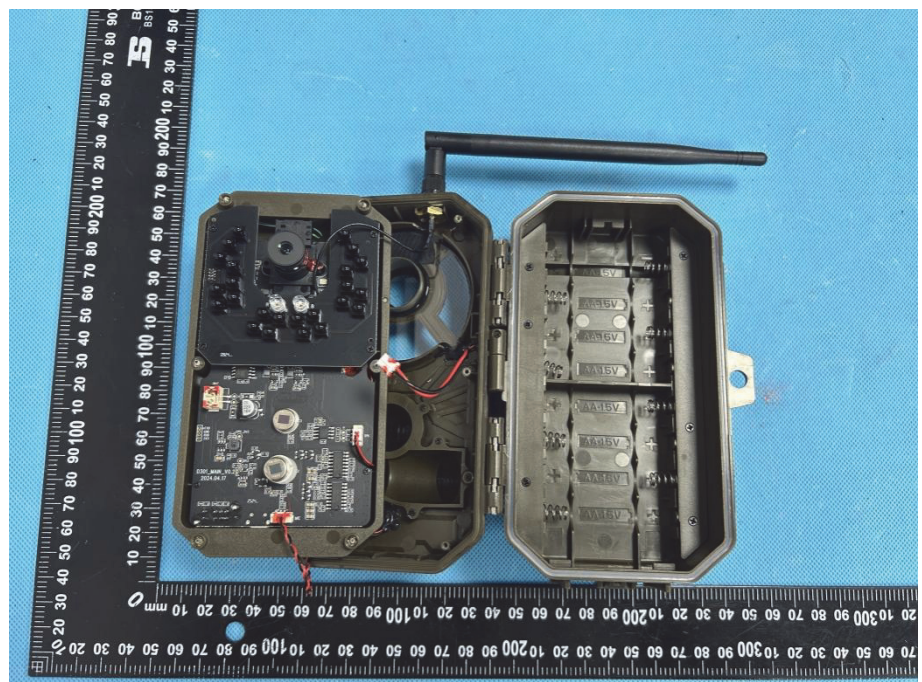

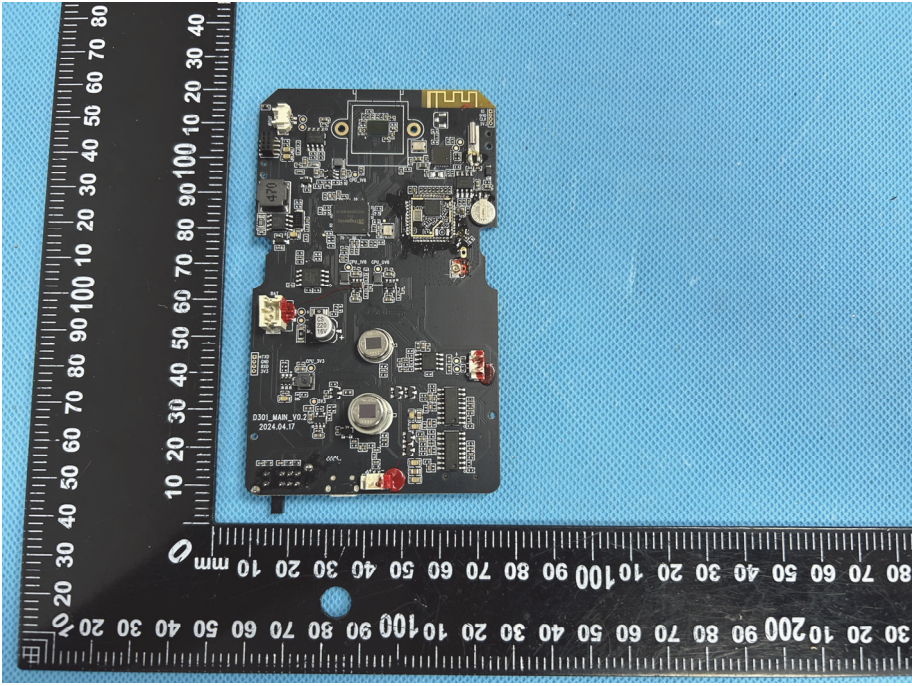

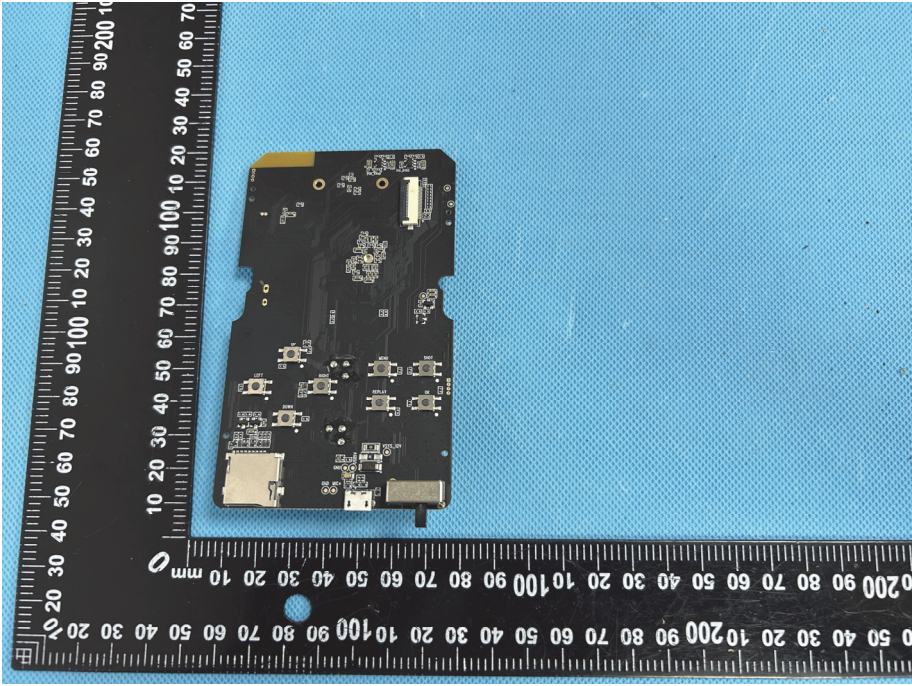

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

**EUT Housing and
Board View 1**

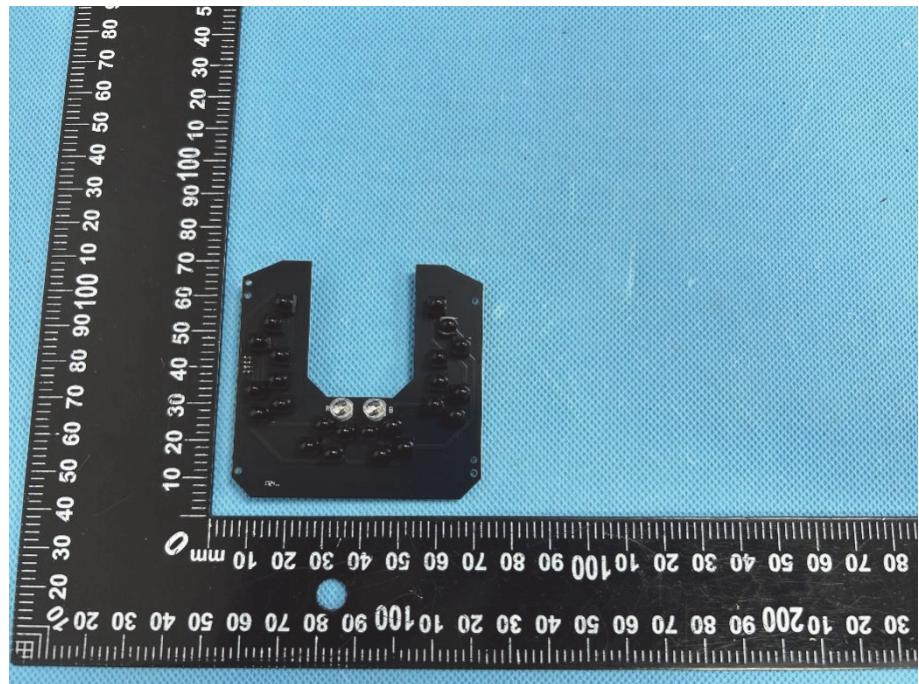

**EUT Housing and
Board View 2**

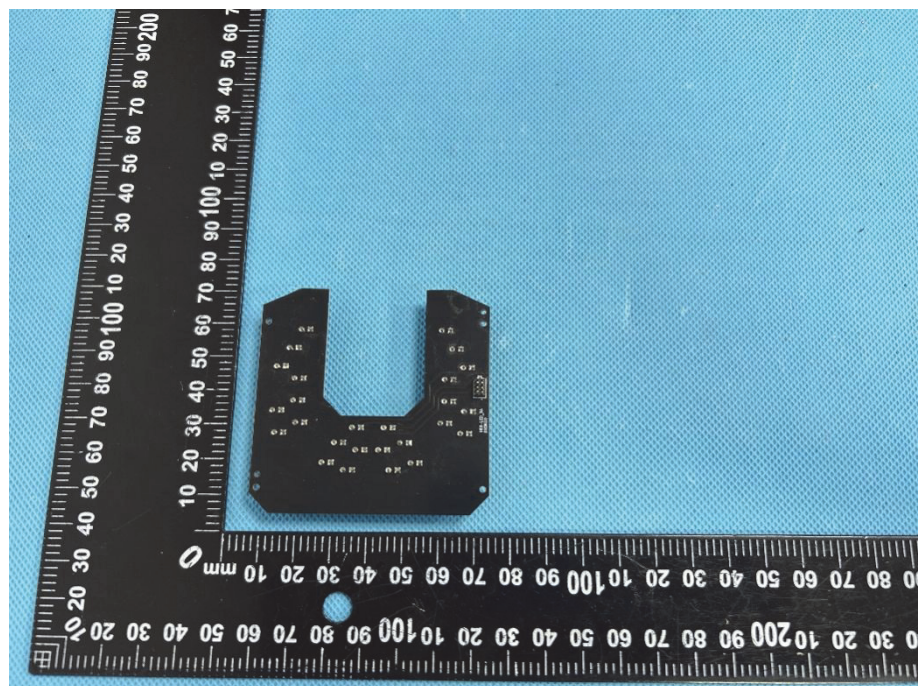

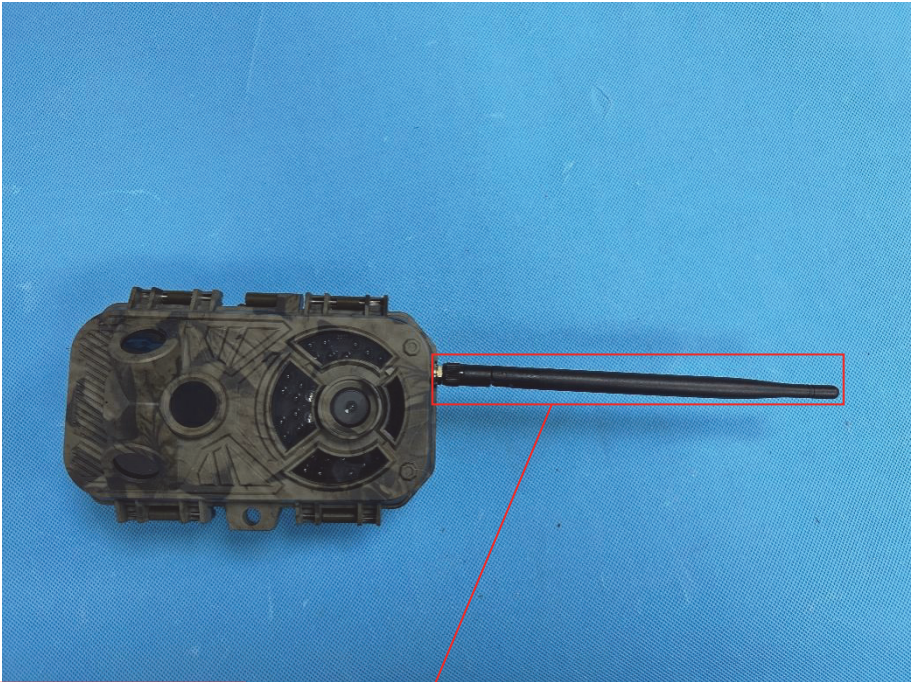

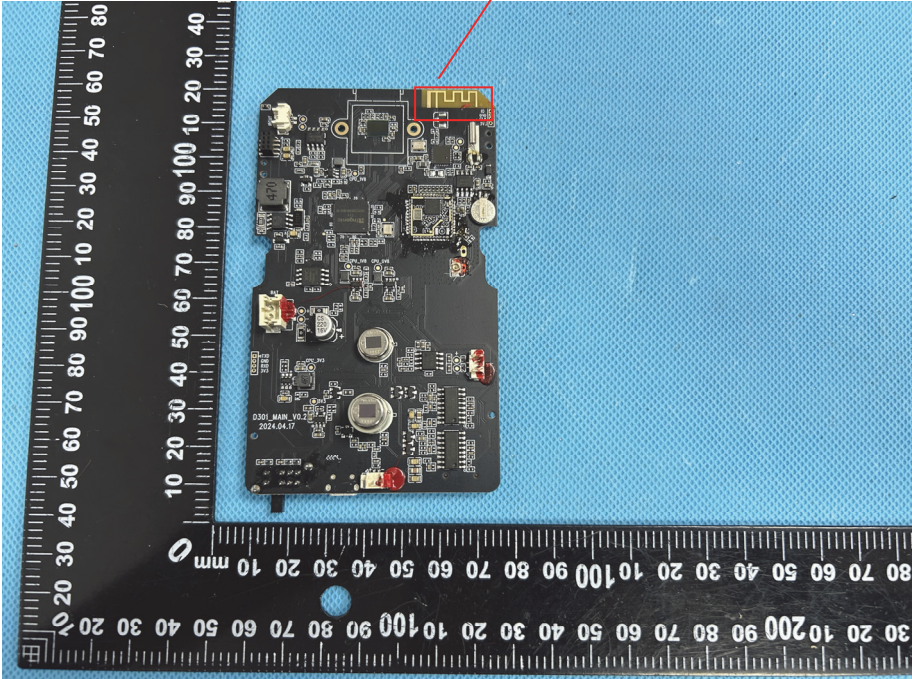

Solder Board-Component View 1	 A photograph of a black printed circuit board (PCB) component, likely a solder mask or a small board, placed on a blue textured surface. The board is rectangular with various electronic components, including a large central chip, several smaller chips, and various passive components like resistors and capacitors. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The board is oriented vertically, with its longer side parallel to the ruler.
Solder Board-Component View 2	 A photograph of the same black printed circuit board (PCB) component, showing a different view (likely the reverse side). The board is rectangular with various electronic components, including a large central chip, several smaller chips, and various passive components like resistors and capacitors. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters (0 to 100 mm) and centimeters (0 to 10 cm). The board is oriented vertically, with its longer side parallel to the ruler.
