We,

| Applicant |                                                                                                                           |
|-----------|---------------------------------------------------------------------------------------------------------------------------|
|           | Company Name: Shenzhen hengxinyuan Technology Co., Ltd                                                                    |
|           | Address: 1006, No. 20, lishipai 1st lane, dafapu community, Bantian street, Longgang District, Shenzhen, Guangdong, China |
|           | Phone: +86 13723729194                                                                                                    |

certify that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules. This includes the cybersecurity and anti-virus software produced or provided by Kaspersky Lab, Inc..

We certify that, as of the date of the filing of the application, the applicant is not identified on the Covered List as an entity producing "covered" equipment.

If you have any questions, please feel free to contact us at the address shown below.

Sincerely,
