Re: Applicant: Agility Robotics, Inc. - FCC ID: 2BKMDIGITV4 - Class 2 Permissive change for a change of antenna and RF exposure conditions

Agility Robotics, Inc. is currently using radio manufactured by Doodle Labs, Model RM-1700-21N3 and request Class II permissive change, 802.11(b). This radio was subjected to test with antenna Model FTISMF082 manufactured by Field Theory Inc. This is not operated at maximum power settings and the frequency range is as follows:

<b>Bandwidth</b>	<b>Permitted Freq. Range</b>
5 MHz	907-923 MHz
10 MHz	909-921 MHz

Please let us know if you might require anything further to assist with your review.

Sincerely,
