100% Power Remaining

### 4. Notes

1. If the device is not used for a long time, please charge it at least every 3 Months.
2. Slight heat during charging is normal, as long as it is below 131°F/55°C.
3. Always keep the device dry and do not clean with heavy chemicals.
4. Children must use the device with parental supervision only.
5. Do not drop, disassemble, impale, or place into humid environments.
6. Do not use the device to charge incompatible devices.
7. If the device is not charging, please check the cable and adapter.
8. If the device is not charging your phone, please verify that the power bank is turned on by pressing the power button.

### 5. Product Specification

Model	GI-PB10K-C1A1L1-BK
Battery Capacity	10,000mAh, 3.85V, 38.5Wh
Rated Capacity	5.8Ah (5V=2A)
USB-C Input Port	5V=2A, 9V=2A, 12V=1.5A (18W Max)
USB-C Cable Input Port	5V=2.4A, 9V=2A, 12V=1.5A (18W Max)
USB-C Cable Output	5V=3A, 9V=2.22A, 12V=1.67A (20W Max)
Lightning Cable Output	5V=2.4A, 9V=2.22A, 12V=1.67A (20W Max)
USB-A Output	4.5V=5A, 5V=4.5A, 5V=3A, 9V=2A, 12V=1.5A (22.5W Max)
Wireless Output	15W Max

#### GEARit LIMITED WARRANTY

##### Warranty Coverage:

We stand behind our products with confidence, offering warranties designed to give you peace of mind and a worry-free experience. Our commitment covers most GEARit products with specific warranty periods based on product type such as cables, cases, wall chargers, and more. Either way, you're protected from defects in materials and workmanship.

##### • Consumer Electronics: 24 Months

##### 30-Day Money-Back Guarantee:

You may return undamaged products within 30 days for a full refund. Products must include all accessories and original packaging. Shipping costs for non-quality-related returns are the responsibility of the buyer.

##### Replacement Warranty:

If a defect arises within the warranty period, GEARit will repair, replace, or issue a credit for the product. Repaired or replacement products are covered for 90 days or the remainder of the original warranty, whichever is longer.

##### Need Assistance?

For more information or to file a warranty claim, please visit GEARit's Warranty Support.

**WARNING:** This product can expose you to chemicals known to the State of California to cause cancer. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
