

Remote control antenna specification

Antenna size:

The antenna is whip with a width of 0.8mm, a thickness of 1 oz, and a total straightening length of 65mm;

Antenna Gain: 0dBi

Model Name: AGS01

Antenna Type: PCB Antenna

Operating frequency: 433. 92MHz

Material: Copper

Manufacture's name: SHENZHEN AGS NOVELTIES CO., LTD

Address: 2nd Floor NO.14 Ailian Industrial Zone, Zhugushi RD, Wulian Community, Longgang DIST, Shenzhen, China
