

Model Difference

Product description: Remote control \ light belt

Model name: JZ-24001, JZ-24002 , JZ-24003, JZ-24004, JZ-24005, JZ-24006,
JZ-24007, JZ-24008, JZ-24009, JZ-24010

FCC ID: 2BKTC-JZ-24001

JZ-24001 is a test model, and other models are derivative models. These models are identical on the circuit, only the model name and receiver are different. Therefore, the test data of JZ-24001 can be representative of the remaining model.
