FCC certification No. Cover Letter

We, Senbiosys SA hereby submit justification for placing the FCC certification No. in the associated user's manual and packaging.

According to the FCC regulation, the FCC certification No. should be printed on the VELIA ring, but as the VELIA ring is too small to print on the label (**FCC ID: 2BKU5-SBDV0106**), it will be moved to the user's manual and packaging. The details are as below:

Even the maximum inner surface does not provide enough physical space to fit the printing of the FCC certification No. according to below reference picture.

Conclusion: Based on the above description, we conclude that the device is unquestionably too small for enabling the FCC certification No. to be printed onto any surface. We therefore request to move the FCC certification No. to the user's manual and packaging.

Box label:

U6

VELIA smart ring
Black I/N: SBA-840FGXXX-FR
US6 Ring S/N: RXXXXXXXXXXXXXX
Charger S/N: CXXXXXXXXXXXXXX

Designed in Switzerland | Assembled in China
