# SETUP & INSTALLATION INSTRUCTIONS

1. Detach the magnetic iPad case from the stand and place your iPad into it.

NOTE
*The stand is also magnetically attached to the keyboard and can be detached as needed.*

2. Fold the top half of the stand backwards and place your iPad onto the stand

NOTE
You can place the iPad horizontally or vertically.
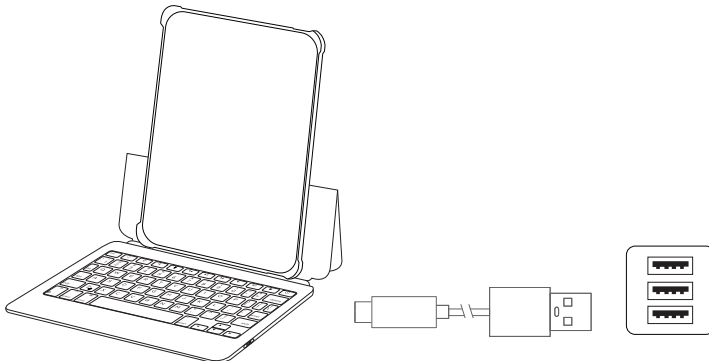

PAIRING THE KEYBOARD TO YOUR Ipad

Take a look at the letter 'Z' key. There is a link symbol. That link symbol indicates how to pair this keyboard with your device.
To pair your keyboard to a Bluetooth-enabled iPad.
1.Open the Bluetooth settings on the device you are pairing the keyboard to, in this case, the iPad.
2.While holding the 'fn' key, press the letter 'Z' key for 3 seconds.
3.The blue LED light will blink on the top left of the power button.
4.Tap the 'IPKBCASEM7.

CHARGING THE KEYBOARD

To charge the keyboard, plug the USB-A end of the provided cable into any USB-A wall adapter, and then plug the USB-C end into the keyboard located on the bottom right side of the keyboard.

Power (Charging) LED:
• Blinking red without charging – Recharging needed
• Solid red – Charging when keyboard is off
• Slow blinking red while solid blue – Charging while keyboard is on

Safety instructions

Please read the following carefully. Incorrect use of this product may result in reduced performance, permanent damage and void your warranty.

• Keep this device away from liquid, humidity and moisture.
• Operate this device only within the specific temperature range of 0°C (32° F) to 5°C to 40°C (104° F)
• Please refrain from taking the device apart. Doing so will void your warranty.
• Do not dispose this product in the garbage. Take it to your local recycling center.

FCC STATEMENT

• *This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.*

• *Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.*

• **Note:** *This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:*

• *Reorient or relocate the receiving antenna.*

• *Increase the separation between the equipment and receiver.*

• *Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.*

• *Consult the dealer or an experienced radio/TV technician for help.*

• *The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.*

Warranty

Macally Peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year in North America from the date of the purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty is exclusive and is limited to the product that this user's guide came with. This warranty shall not apply to products that have been subjected to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered normal use. The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profits, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply notwithstanding any failure of essential purpose of any limited remedy.
