

ANNEX

EXHIBIT 1 - PRODUCT LABELING

Proposed FCC ID Label Format

Specifications: The product uses TheStack APP, and uses an E-Label. The steps to access the label is below:

1. Open the APP, click on the to "Regulatory Notices"
2. The E-label will pop up

There is also a packaging label on the packaging. A link to the product manual will be provided in the APP as well.

Proposed Label Location on EUT

	Packaging Label Location	E-Label
FCC ID Label Location	 A photograph of a cylindrical cardboard box for The Stack baseball. A white label with the FCC ID "2BKWB-STACKSENSOR" is visible on the side of the box.	 A screenshot of the mobile app interface showing the "Regulatory Notices" section, which includes the product name, model, FCC ID, and a disclaimer about FCC rules. A "Continue" button is at the bottom.
