

July 02, 2025

Application Examiner / Reviewing Engineer  
Federal Communications Commission  
7435 Oakland Mills Road  
Columbia, MD 21046

To Whom It May Concern,

**Class II permissive change**

We, Wave Electronics Co., Ltd., hereby request a Class II Permissive Change for the authorized product (FCC ID: 2BKZBWEH37-TM24B). A Domain Proxy for SAS communication has been added to the DU, which is a peripheral device.

There are no changes to the main product or its hardware and software.  
(Original Grant date: 12/27/2024)

If you have questions or need further information, please contact the undersigned.  
Sincerely,

A handwritten signature in black ink, appearing to read "Do-Hoon Lee".
