

## DEVICE OVERVIEW

## SPECIFICATION

**Item No.:** 2489  
**Product:** 5000 mah Power Bank  
**BATTERY:** LI-POLYMER BATTERY  
**TYPE-C Input:** 5V/3A;9V/2A  
**TYPE-C Output:** 5V/3A;9V/2.22A;12V/1.67A  
**USB-A Output:** 5V/3A;9V/2.22A;12V/1.67A;10V/2.25A  
**Wireless charger Output:** 15W Magnetic wireless charge  
**CAPACITY:** 5000mAh  
**Time to charge the device:** 2-3 hours

## QUICKSTART GUIDE

**To charge devices:** Plug in your device to the USB/TYPE-C port. The power bank will automatically charge your device. The device will auto power off/enter a sleep mode when no devices are plugged in. Never worry about forgetting to power off that battery.

**Magnetic Feature:** Magnetic wireless charging for iPhone Magnetic series; Power bank perfectly aligns magnetically to your phones every time;

**Wireless charger function:** Attach the wireless charging position of your phone to the wireless charging area of the product, it will automatically wireless charging your phone.

When the green light is on, it indicates that wireless charging is working.  
 When the blue light is on, it indicates that wireless charging enters into fast charging.  
**FOD function:** when in foreign object detection status , green light flashing.

## HOW TO CHARGE THE BATTERY

- 1) Plug in TYPE-C to input.
- 2) The LED indicators will flash when the device is charging.
- 3) All the indicators will light when the power bank is fully charged.

## INDICATOR

LED Indicators (ON OFF)	Battery Left
•	≤25%
• •	25%~50%
• • •	50%~75%
• • • •	75%~ 100%

## PRECAUTIONS

- 1) Usual charging time for the device is 2-3 hours. Charging time depends on brand of adapters being used due to different specifications.
- 2) Charge indicator: when the unit is charging, the indicator will blink. When device is fully charged the indicator will stay on.
- 3) Original USB cable is recommended.
- 4) Do not expose product to fire or extremely high temperatures.
- 5) Optimum working temperature for device is lower 60°C.
- 6) Do not attempt to disassemble or modify the battery in order to avoid danger. Use the device with caution-avoid dropping or impact.

## COMPATIBILITY

## FCC statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

 Samsung is a registered trademark of Samsung Group, registered in the U.S. and other countries.

#### FCC Warning

##### 15.19 Labeling requirements.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

##### 15.21 Information to user.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

#### FCC RF Radiation Exposure Statement:

1.This Transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

2.This equipment complies with RF radiation exposure limits set forth for an uncontrolled environment.
