RE: CONFIDENTIALITY REQUEST FOR **(Dual-Mode Remote Control / MODEL RC-5KBRV / FCC ID: 2BLG9-RC-5KBRV)**

To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the **(Block diagram, Operational description, Schematics)** required to be submitted with this application be permanently withheld from public review.

These documents contain detailed system and equipment description and related information about the product which Nework LLC considers to be proprietary, confidential and a custom design and otherwise would not release to the general public. Since the design is a basis from which future technological products will evolve, Nework LLC considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,

**Name: Jane Wang**

**Title: Manager**

**Signature of applicant:**
