Solder Board-Component View 4	 This image shows the solder board-component view of the device. It features a black PCB with various components, including a large central chip labeled 'RC_PF1021', a 'Kimtigo' chip, and a 'Rohm' chip. A ruler is placed horizontally across the top of the board, showing measurements in millimeters (0 to 70 mm) and centimeters (10 to 100 mm).
Antenna View	 This image shows the antenna view of the device. It displays the internal components, including the battery, the main PCB, and the antenna structure. A red line points to the antenna, which is labeled 'WIFI/BT ANT' in a red box. The device is shown from the back, with the white plastic casing visible.
