EUT View 5	 A photograph showing a white, rectangular electronic device (EUT) lying horizontally on a blue textured surface. To the left of the device is a black ruler with white markings in centimeters and millimeters. The device has a small, dark rectangular screen on the left side of its face. To the right of the screen are three small, square buttons arranged horizontally. Further to the right is a larger, rectangular button with a small, dark, curved icon. The device is positioned between the 10 cm and 20 cm marks on the ruler.
EUT View 6	 A photograph showing the same white electronic device (EUT) lying vertically on the same blue textured surface. The black ruler is positioned vertically to the left of the device. The device's screen is at the top, and below it are two small, square buttons arranged vertically. The device is positioned between the 10 cm and 20 cm marks on the ruler.
