

Product Introduction

Specification Parameters

Basic Parameters

Brand Name: MorningBlues
Product Model: MBSPO3
Product Dimensions: 450 mm × 450 mm × 560 mm
Input: AC 120 V, 50 Hz, 2.5 A
Wireless Charging: Slow Mode DC 5 V, 3 A Max; Fast Mode DC 8 V, 1 A / DC 9 V, 1.67 A
USB Output: DC 5 V, 2.0 A
Type-C Output: DC 5 V, 3.0 A / DC 9 V, 2.0 A / DC 12 V, 1.5 A
Wireless Charging: 15 W-MAX
Emergency Power Supply: 5 V/2 A (Power Bank or Adapter)
Packaging List: Cabinet (1), Metal stand (1), Power cable (1), Waterproof accessory (1), User Manual (1), Philips screwdriver (1), Screws (10), Wireless charging stickers (1)

Speaker Parameters

Dimensions: 3-inch Mid-bass (2), 1-inch Silk Dome Tweeter (1)
Rated Power: 20 W (2 × 10 W)
Effective Frequency Range: 50-20 kHz

Product Assembly Instructions

Product Use

1. Power Connection

*Note: The original power cord must be used when the product is plugged in.

2. Power On/Off

• The power button is on the side of the product. Press it for 1 second to turn the device on or off.

4. Play Music

• After the Bluetooth connection is successful, turn on the music player on your phone, and the speaker will play music synchronously.

Button	Tap for 0.5 s	Press for 3 s
⏸	Pause/Play (white noise on/off when Bluetooth is not connected)	Power On/Off
⏮	Previous	Bluetooth Pairing
⏭	Next	
🔊	Rotate to adjust volume	

3. Product Pairing

• Ensure Bluetooth is enabled on your phone.
• For the first connection, select Cabinet (1) from the list of Bluetooth devices to pair.

5. Button and Indicator Operations

• Additional product features and settings can be controlled via buttons. Specific button functions are as follows:

• Power On - Green light flashes, turns off after 10s.
• Power Off - Red light flashes, turns off after 10s.
• Bluetooth Disconnected - White light flashes, turns off after 10s.
• Bluetooth Connected - White light stays on, turns off after 10s.

After-sales Service and Support

1. Warranty

The product shall be covered by a 12-month warranty, effective the day after the product is signed for.

2. Warranty Standards

If the product exhibits one or more faults as outlined in the Product Performance Fault Table, you are entitled to a complimentary maintenance service, subject to verification by the MorningBlues after-sales service center.

3. Product Performance Fault Table

Performance Fault	
• Unable to charge • Fingerprint lock failure • No sound	• Unable to power on • Button malfunction

Application Method

If the product meets the warranty requirements, please contact us via email at support@morningblues.com or submit a warranty application form on our website <https://www.morningblues.com/contact-us>.

4. Non-warranty Standards

• Failure or damage resulting from improper use by the user (such as failure to observe the precautions in the instructions), improper maintenance or improper storage (including operational errors, liquid intrusion, incorrect insertion and extraction, scratches, bumps, wrong input voltage, use of non-brand accessories, etc.).
• The entire machine or accessories are beyond the free warranty period.
• For wear and tear (such as foot pad wear, cover risk, etc.).
• Damage caused by disassembly by the user or at unauthorized repair centers.
• Damage caused by natural disasters, or other force majeure factors.

Application Method

Should you require paid repair services, please contact us via email at support@morningblues.com or submit a repair form on our website <https://www.morningblues.com/contact-us>.

MorningBlues Cabinet S1
Wireless Music Furniture

Product Model: MBSPO3

Manufacturer: MorningBlues Technology Limited
Email: support@morningblues.com
Website: www.morningblues.com

Address: Room 515, 5/F, Ming Sang Industrial Building, 50-21 Hing Yip Street, Kwan Tong, Kowloon, Hong Kong

Precautions

This product must be powered on using the original power cable for proper operation. Waterproof accessories must be installed during the initial setup. Any damage, short-circuiting, or electric leakage caused by liquid spills due to the user not installing the waterproof accessory is not covered under warranty.
Try to place the speaker on a flat and stable surface to prevent it from falling. Handle the speaker gently to protect the panel and avoid scratches, abrasions, or cracks.
Please avoid splashing liquid on the product to avoid short circuit.
Keep the product away from direct sunlight for prolonged periods.
Do not attempt repairs; only qualified personnel should open the device for maintenance.
Warning: In a residential environment, running this device may cause radio interference; safe usage is limited to non-tropical climates.

Warning

Operating this device in residential areas may cause radio interference. This product should be connected to a power outlet with protective grounding intended for safe use only in non-tropical climate conditions.
For indoor use only.

Avertissement

L'utilisation de cet appareil dans une zone résidentielle peut provoquer des interférences radio.
Ce produit doit être branché à une prise électrique dotée d'une mise à la terre de protection.
Conçu pour une utilisation sûre dans les climats non tropicaux uniquement.
Uniquement destiné à un usage intérieur.

Regulatory Information

FCC Regulatory Conformance

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference.
(2) This device must accept any interference received, including interference that may cause undesired operation.

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.
Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
Consult the dealer or an experienced radio/TV technician for help.

NOTE:

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

RF Exposure

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

IC Regulatory Conformance

This device complies with CAN ICES-003 (3) (NMB-0030).
This device complies with Industry Canada license-exempt RSS standard(s).
Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
Cet appareil est conforme à la norme CAN ICES-003 (3) (NMB-003) (3).
Ce présent appareil est conforme aux NMB d'industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
(1) l'appareil ne doit pas produire de brouillage, et
(2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RF Exposure

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.
Cet équipement est conforme aux limites d'exposition aux rayonnements de la IC. Établissez pour un environnement non contrôlé. Cet équipement doit être installé et fonctionner à au moins 20 cm de distance d'un radiateur ou de votre corps.

California Prop 65 Warning

This product contains chemicals, including lead, known to the State of California to cause cancer and birth defects or other reproductive harm. **Wash hands after handling.**

For the state of California only.
