Right earpiece	

EUT Housing and Board View 3	 A photograph showing the EUT housing and board from a top-down perspective. The components are laid out on a blue textured surface next to a black ruler with white markings. The ruler has two scales: one in centimeters (0 to 100) and one in millimeters (0 to 100). The components include a black plastic housing, a green printed circuit board (PCB) with various electronic components, and a small yellow component. The PCB is labeled with 'EUT' and '3.3V'.
Solder Board-Component View 3	 A close-up photograph of the solder board component. The component is a small green PCB with various electronic components, including a microcontroller and several resistors. It is placed on a blue textured surface next to a black ruler with white markings. The ruler has two scales: one in centimeters (0 to 50) and one in millimeters (0 to 100). The component is labeled with 'EUT' and '3.3V'.

Solder Board-Component View 4	
Solder Board-Component View 5	

Antenna View	BT Ant.  The image shows the internal antenna structure of a device. A red box highlights a specific area containing a yellow component and some text. A label 'BT Ant.' with a red line points to a small black component at the top of the structure.
