Solder
Board-Component
View 1

Solder Board-Component View 2	 A photograph of a green printed circuit board (PCB) component, likely a solder mask or a small board, placed on a blue textured surface. The component is rectangular with a circular cutout at the bottom. It is surrounded by a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm on both the horizontal and vertical axes.
Antenna View	Antenna  A photograph of the same green PCB component, similar to the one in the first image, but with a red rectangular box highlighting a specific area on the top edge. A red arrow points from the word "Antenna" in a red-bordered box to this highlighted area. The component is placed on a blue textured surface, and a black L-shaped ruler with white markings is visible around it, showing dimensions from 0 to 100 mm.
