FCR

11.44mm

81.58mm

The diagram shows a technical drawing of the Smart TV Light Strip. It is a rectangular device with a grid of small circles (LEDs) on its front face. The drawing includes dimensions: 63.45mm for the width of the LED array, 19.44mm for the height of the LED array, and 81.58mm for the total width of the device. The text 'Smart TV Light Strip With HDMI Sync Box ET8' is printed on the device, along with technical specifications: Model ID : LET001162, Input : 12V 5A, Power : 60W, FCC ID : 2BLWSLET001162, Date Code : XXXX, and Made in China. The drawing also shows the placement of the device on a surface, with red dashed lines indicating the alignment. A note below the drawing states: '位置: 切齐红色虚线与圆的切线放置' (Position: Align with the red dashed line and the tangent line of the circle).
