Declaration of Professional Installation

To whom it may concern,

We, LOYTEC electronics GmbH, declare that we are exempt to the requirements of 47 CFR § 15.203 as this product is intended for professional installation only.

Based on the requirements of KDB 353028 D01, we affirm the following.

1) Hardware Availability

An average consumer cannot access our website and purchase our equipment via an online storefront. The sales channel for this product is through our network of authorized dealers or directly to installers.

2) Marketing

The device is not sold via retail to the general public or by mail order, it is only marketed to authorized dealers or installers.

3) Intended Use / Unique Nature

By its commercial nature, the product is not intended for the general public, and each installation and/or usage case is a custom industrial application which is exclusively for LOYTEC and its customers.

4) Controlled Installation

Installation is controlled for only industrial applications and for LOYTEC and its customers.

5) Installation by Licensed Professionals

Any dealer or installer of our product receives detailed installation guides and training materials in order to integrate the product.

6) Training of Licensed Professionals

All dealers and installer are required to go through our training process or materials in order to purchase our product and install the product.

Sincerely,

Signature:

Niko Delarich
Head of Hardware Development
