What's in the box	Product Introduction	Input	Battery Charging	Bluetooth	TWS Function Operation
 • RockStar MINI*1  • Type-C charging cable*1  • User guide*1  • Warranty card*1	 ① Mode Indicator ② TWS Indicator ③ Low Battery Indicator/EQ adjusting ④ EQ-TREBLE adjusting: Flash Red fast ⑤ ECHO Volume Knob ⑥ MIC Volume Knob ⑦ Power ON/OFF & Volume & EQ adjusting Knob ⑧ Bluetooth Button ⑨ Next Song Button ① Mode Indicator ② TWS Indicator ③ Low Battery Indicator/EQ adjusting ④ EQ-TREBLE adjusting: Flash Red fast ⑤ ECHO Volume Knob ⑥ MIC Volume Knob ⑦ Power ON/OFF & Volume & EQ adjusting Knob ⑧ Bluetooth Button ⑨ Next Song Button	 Mic Input Charging Port Charging LED light (Red) *Solid Red-Charging Light OFF-Fully charged USB Input (Playing music from USB) AUX IN	 For charging: Plug into the DC IN port, then connect a Type-C cable to an adapter rated at 5V/2A or higher. (Adapter not included, purchase separately.)	 After connection, battery status of the RockStar MINI can be shown on iPhones' Notification Panel with iOS 5.0 and above.	 For the ULTIMATE listening experience, you can pair or connect TWO RockStar MINI speakers together by using DUAL PAIRING MODE with the following steps: A=Master RockStar MINI B=Slave RockStar MINI Step 1: Turn on Bluetooth and connect to speaker A (Indicator light shows solid blue when connected) Step 2: Double-Press the Bluetooth button (Indicator light flashes white) Step 3: Turn on Speaker B Step 4: Double-Press the Bluetooth button (Indicator light flashes white) Note: 1. Make sure to close all music players on your mobile device before entering the DUAL PAIRING mode. 2. The RockStar MINI must disconnect from all connections before entering the DUAL PAIRING mode. 3. In the DUAL PAIRING mode, long-press the Power button of either RockStar MINI. Both RockStar MINI will turn off simultaneously. 4. After two RockStar MINI are successfully paired, even if you turn off the power, they will still automatically enter the dual pairing mode when powered on next time. 5. After successful pairing, the one with both blue and white indicator lights on is the Master, and the one with only the white indicator light on is the Slave.
		AUX IN  *Plug into the LINE IN port. Connect to devices like mobile phones, computers, or iPads using a 3.5mm audio cable to play music.	USB Connect  *Compatible with music formats: MP3, MP4, WMA, WAV, M4A, FLAC, APE.	Hands-free

FCC Caution

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

-- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.
