

# LED FOCUSING AND DIMMING TUBE LIGHT

The advertisement features a large, black, cylindrical LED tube light with a mounting bracket. The light has a digital display showing '8.8' and a 'Mode' button. A hand is shown holding a smartphone displaying the 'EasyGo' app interface, which includes a grid of light modes (Golden, Amethyst, Red, Chalk, Sandfish, Pearl, Chama, Pink, Ocean, Sunset, Blotop, Switch) and sliders for brightness and color grading. The background is dark with yellow and orange geometric shapes.

**PROCEDURE FOR USE**

1. PLACE
2. ROTATE
3. ADJUST
4. SCAN THE CODE
5. DOWNLOAD
6. BLUETOOTH

**Adjustable 11 colors**  
Press and hold for 5S to turn on and off the light

**INPUT VOLTAGE**  
10V~240V 50/60Hz

**OUTPUT VOLTAGE**  
24V~36V

**PRODUCT POWER**  
● 24W ● 30W

**POWER CORD LENGTH**  
2.5M

**MATERIAL**  
ALUMINUM ALLOY

**LAMP BEAD PACKAGING**  
5054 RGB LED beads

**CE FC RoHS**  
Made in China

## FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is

no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

#### RF Exposure Information

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator and your body.
