Model Confirmation Letter

We, Shenzhen Qintianyi Electronic Co.,LTD , certify the product: carplay / carplay dash camera, Model No.: C001P, C002P, C003P, C004P, C005P, C006P, C007P, C008P, C009P, C010P, C011P, C012P, C013P, C014P, C015P

The differences between models are due to differences in display screen size and varying model requirements from different customers in the market, resulting in differences between models. However, the internal motherboard circuit PCB and BOM of the product is the same, and these differences will not affect the RF and EMC performance of the product. Therefore, the test model is C001P.
