#### ⚠WARNINGS

- Only use the charging cable provided and a good quality USB power source.
- Charge the product in a well-ventilated area and avoid charging under pillows, blankets, or on flammable surfaces. Do not leave unattended while charging.
- To avoid damaging the headphones, please keep it away from direct streams of splashes and do not submerge into water.
- Do not expose this product to sources of heat. Do not expose to temperatures above 40°C, such as in a car on a hot day, or in direct sunlight.
- Prevent objects and debris from entering the device ports.
- To protect your hearing, keep the volume at a safe level and take regular breaks.
- Refer all servicing to qualified service personnel, which is required if this product is damaged in any way / is exposed to liquid, or does not operate normally.
- Children under age of 5 year must be supervised when using or handling this product.
- The battery is unreplaceable. If the battery is expanded, stop using and keep it away from children.

## JellieMons BOOMA ECHO Wireless Headphones

WLHP701

BOOMA ECHO

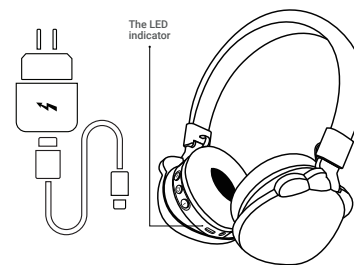

## QUICK START GUIDE

### WHAT'S INCLUDED:

### 1.CHARGE YOUR BOOMA ECHO

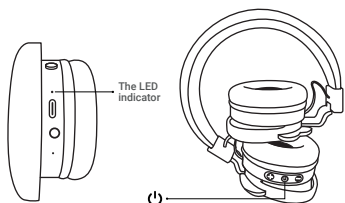

Before first use, fully charge the headphones using the supplied cable. The LED indicator will turn red while charging and will switch off once the headphones are fully charged.

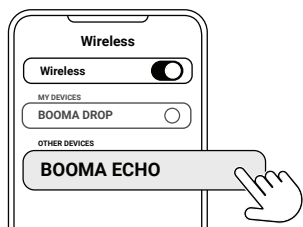

前面

### 2.CONNECT YOUR BOOMA ECHO

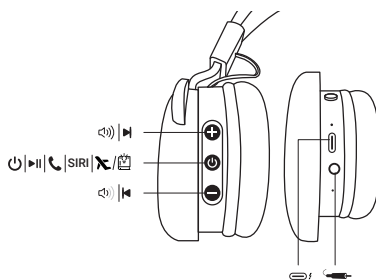

When the headphones are fully charged, press and hold the power button for 3 seconds. You will hear the sound "It's JellieMons" followed by "This is wireless mode." The LED indicator will then flash blue and red to signal that the headphones are ON and ready to pair.

To connect, turn on Wireless in your phone settings and select BOOMA ECHO from the list of available devices. Once paired, you will hear a sound, "You are connected" to confirm a successful connection.

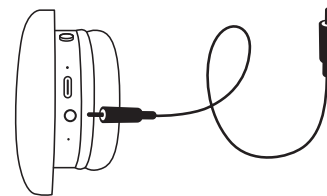

### 3. USE YOUR BOOMA ECHO

Turn ON/OFF	Press  for 3/5 seconds
Play/pause song	Press
Previous track	Press and hold  for 1 second
Next track	Press and hold  for 1 second
