4. CONNECTING TWO SPEAKERS

If you have two compatible BOOMA DROP speakers, you can link them to create a stereo pair. Begin by connecting the first speaker to your phone or other device using Wireless as usual.

Then, turn on the second speaker and wait a few seconds. Double-press the power button on the second speaker, and you will hear a tone indicating the speakers are now linked.

Your audio will play through both speakers for a richer sound experience. To unlink the speakers, simply double press the power button on either speaker.
